**CHURCHES OF CHRIST, SCIENTIST**  
"Words of God, as enunciated by Isaiah, 'Behold, I create new heavens and a new earth; and the former shall not be remembered, nor come into mind,' are the Golden Text in the Lesson-Sermon on 'Reality' on Sunday in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass."  
Bible selections in the Lesson-Sermon present these citations from the Acts: "And by the hands of the apostles were many signs and wonders wrought among the people;... Then Philip went down to the city of Samaria, and preached Christ unto them. And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did. For unclean spirits, crying with loud voice, came out of many that were possessed with them; and many taken with palsies, and that were lame, were healed. And there was great joy in the city."  
A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "Christianity is again demonstrating the Life that is Truth, and the Truth that is Life, by the apostolic work of casting out error and healing the sick."
