Children's Piano Classes to Open Here On July 2

Kathryne Buffington Organizes Novel, Fascinating Courses For Children of All Ages

Magic Note Studio, featuring a novel and fascinating study of music for children, will be opened July 2, by Kathryne F. Buffington.

In addition to the magic board, upon which the usual drudgery of piano lessons is completely lost in the delight of "composing" simple tunes and harmonies.

Parents wishing to enroll their children are requested to contact the studio, telephone 368, in advance of the opening date, July 2, and arrange for appointments.

The advantages of class work, which makes possible the study of music under an experienced teacher at a modest cost, is recognized and endorsed by no less an authority than Harold Bauer, eminent pianist, whose renown is world wide.
