Bo Lisman Out to 'Show Up' Roaring Midgets At Speedway Friday Night

Bo Lisman, spectacular riding motorcycle favorite of Long Beach, will be out to "show up" roaring midget cars at Long Beach Motospeedway Friday night during the weekly program of 125 laps of short track automobile racing.

Lisman, one of the old guard of cyclists on the short tracks, refuses to believe that broadsiding four-wheelers will ever better motorcycle time at Motospeedway. Friday night he is willing to take on Bill Betteridge, youthful champion; Curly Mills and Chet Mortimer, either individually, or in a series of relay races.

Curly Mills will positively be a driver Friday night despite injuries sustained in a sensational crackup last week when his Miller powered No. 16 swirled end over end in a main event crackup.

To beat Bill Betteridge and lower his fast track records will be the aim of all the drivers, who are planning to gang up on the youthful champion.

Thirty-five cars and drivers, a record for Motospeedway, are ready for Friday night's races that begin promptly at 8:15 o'clock.

Tuesday night, August 21, old-timers of motorcycle racing return to their favorite sport in an old-timers' special at Long Beach Motospeedway. In an added event on the weekly card of 19 short track cycle thrillers.

Famous riders of yesterday will compete in the special event. Two veterans have already signed for the special race, Charlie "Wota" and "Hot" Miller.
