

Opportunity To Learn While Earning Given

Adults and Graduates Invited to Attend Business Training Classes

An opportunity to learn while earning, or waiting for a job is offered at the Torrance high school in a new course which starts next Monday. The course in business efficiency begins March 11, and is intended for adults, or high school graduates who are either employed or hoping to secure jobs, and who feel that they can use some additional training.

The subject matter will include instruction in business organization, management, business law, business mathematics, salesmanship, typewriting, machine book-keeping, job information and job ethics. Through the job placement bureau every effort will be made to find jobs for those who complete the course. The needs of the community will be watched with a view to filling positions with home talent.

The classes are offered daily beginning at 8 o'clock, and continuing until noon. The course is of special importance to adults and graduates, as it offers training to meet civil service requirements and keeps the student in training for future work. Lack of employment tends to make the individual feel out of date and handicapped, and when the opportunity comes along for employment he is at a disadvantage.

Those who are employed part time, are especially benefitted by the course as their work gives them an opportunity to put into immediate practice the newer methods they learn.

All those who are interested in taking up the work are invited to call at the high school between 9 and 12 a. m. to consult with the business training instructor.

Narbonne High SCHOOL

Narbonne's annual G. A. A. Letterman's dance is to be held March 14 in the school gymnasium from 7 to 11 p. m. The dance is to be a "Cuton and Cord" informal affair.

A Saint Patrick's Day theme will be carried out. Committees will soon be appointed by the G. A. A. and Lettermen and plans will be made for a successful evening.

On February 25, in solemn secrecy and excitement, five Narbonne high school girls were summoned to Miss Griffin's office to receive the honor of being chosen members of the Jane Addams, girls' honor club.

Gertrude Scanlon, A12; Akiko Kato, Patricia Bullock, Vada Courtney and Jean Wilson, A11, were the girls chosen to fill the places vacated by graduation of other active Narbonne girls. Miss Wylie, student body adviser; Miss Mason, sponsor of the club, and Miss Griffin selected the group.

As part of their initiation, the girls are wearing red tams with their hair slicked back, unadorned shoes, one red bobble sock and no make-up.

Floyd Ramsey and Taunso Tawa were chosen as new members of the Vigilantes, boys' honor club at Narbonne, at a meeting in Mr. Comrada's office, February 26.

Narbonne received high honors at the National Orange show at San Bernardino, Saturday, February 23. Martinson, senior B, won first prize in judging lemons, while the team as a whole placed third in the lemon judging.

On the team were Clark Walker, Wallace Mayer, Joe Buffalo and Billy Briens, captain. Mr. Fuller, Narbonne's agriculture teacher, accompanied the boys.

"The Mock Trial," a humorous English murder case, is to be presented by members of Mrs. Brinkerhoff's public speaking club at an assembly April 1.

This dramatized version of a real trial deals with many selections from the world's finest literature. The murder victim in the case is spoken every day.

The cast includes the following: Judge, George Taylor; sheriff, Louis Irvine; Lady of the Lake, Florence Martinson; Dummy, Eugene Higgins; the East Duchess, Patricia Bullock; Cinderella, Janet Mosher; Old Mother Hubbard, Winifred Mulken; Barefoot Boy, Alfred Thorsen; prosecuting attorney, Nell Haynes; defense attorney, Billy Buker; clerk, Billy Briens; man in house, Earl Sterling.

Mrs. Brinkerhoff is directing the play, with Harold Smith acting as assistant director.

Many Gaucho students have signed on the dotted line as eligible for the Senior Honor Society. The total number of Honor and Scholarship members is 68, which, according to Miss Stiff, the sponsor, is the largest number on record as belonging to this organization.

Eather Peterson was chosen president; Mae Whisler, vice president; Ardie Kettle, secretary, and Frank Watanabe, treasurer. Marjorie Irvine is chairman of the Honor division.

The girls' woodshop class at Narbonne, which was originated this semester, is making an interesting project. They are now assembling the parts for a tilip coffee table.

The ten girls enrolled in the course decided that each one should make one large project instead of several small ones. They are now ahead of the boys and doing nicely, according to Mr. Inler, woodshop teacher. The Gauchettes hope to become expert carpenters.

Eager to Wed BLYTHEVILLE, Ark. (U.P.)—When Rev. Ralph E. "Babe" of Dyersburg, Tennessee, takes a notion to get married apparently there is no stopping him. He is charged here with stealing a blank marriage license, forging the signature of a deputy clerk and using it to wed a young woman at Osceola.

Few subjects are more interesting to boys than the modern science of flying. Making model airplanes, studying aeronautical engineering, reading about the exploits of famous aviators are all ways of approaching a fascinating field of knowledge. What would be your choice if you were selecting the best books of the last 20 years? Patrons of the Los Angeles city library have just voted for their choice among those published since 1915. Here are the first 20 titles in the order of their popularity:

1. Galsworthy, "Forsyte Saga."
2. Buck, "Good Earth."
3. Munthe, "Story of San Michele."
4. Undset, "Kristin Lavransdatter."
5. Wain, "House of Exile."
6. DeKruif, "Microbe Hunters."
7. Wells, "Outline of History."
8. Maugham, "Of Human Bondage."
9. Strachey, "Queen Victoria."
10. Cather, "My Antonia."
11. Allen, "Anthony Traverso."
12. Browne, "This Believing World."
13. Adams, "Epic of America."
14. Millay, "Poems."
15. Wilder, "Bridge of San Luis Rey."
16. Steffens, "Autobiography."

THE 1935 Ford V-8 brings you the most important Ford development since the introduction of the Ford V-8 engine—the new Full-floating Springbase with Comfort Zone Seating. Wherever you sit in this new Ford V-8, you ride centered—between the springs. Springs are longer, more flexible, and the springbase increased to 125 inches. The result is "front seat riding comfort" even for back seat passengers. New riding ease in the 1935 Ford V-8 is matched by new driving ease. Control, steering, parking are easier. Starting and shifting have been made almost effortless. Braking requires surprisingly little foot pressure—yet is surer, smoother. Here is a car that is styled to the

use—built for the years. Welded all-steel body, engine and chassis improvements make it more durable than ever. Safety glass throughout at no extra cost. Look to this new Ford V-8 for everything you could want in a modern car. See it at your nearest Ford dealer's now.

fully developed, cleaned up and made ready for public inspection in about one month, when all those interested will be invited to call at the school grounds.

Owing to a ruling of the Los Angeles city school board and city superintendent, Torrance was not represented at the National Orange show with a team in citrus fruit judging this year, but the activities of the agricultural students will be confined to the limits of their own gardens, and they are making their subsistence project their major activity.

WALTERIA DANCE HALL REOPENS
The K-Kow Shed, Walteria dance hall and beer parlor, was granted a business license by the Torrance city council Monday evening to reopen following a temporary suspension recommended by the police department.
