

Three Liquor Cases Brought to Court

Roland O. Danielson, 2439 Narbonne avenue, who was taken into custody last week at a pool hall on Narbonne avenue, Lomita, was arraigned Monday morning before Judge Frank Carrell of the Inglewood justice court on a charge of being drunk. He pleaded guilty and received a fine of \$20 or ten days in jail, half of which was suspended. He was given until July 8 to pay the balance, and was released.

Herbert Thompson, 2243 241st street, Lomita, also appeared before the judge Monday morning on a similar charge to which he pleaded guilty and was given a fine of \$20 or ten days, of which one-half was suspended. A commitment was issued as Thompson was unable to pay the balance.

Clarence Ray Shook, also of Lomita, pleaded not guilty to a charge of being drunk and a court trial in the case was set for Wednesday, July 3.

Private Vacation School Starts

A. J. Walter, teacher of English at the Torrance evening high school, is opening a private vacation school for a six weeks session at the Spanish American Institute near Gardena. Arithmetic, algebra, Spanish, English for foreigners will be the subjects taught. Enrollment will be limited and a small tuition fee will be charged. Registration starts July 5.

Famous Vienna Cafe to Go

VIENNA (U.P.)—Austrians, and tourists, faithful to the memory of the former empire, have learned with regret that Cafe Pucher is to close its doors. Pucher was not only a coffee-house, but was one of the most famous of Vienna's institutions. The cafe for many years served the old nobility.

Ford Welding Attracts Thousands

Thousands of visitors to the Ford Exposition, Balboa Park, San Diego, show their interest daily in the welding processes demonstrated exactly as they are performed at the Ford Motor Company's River Rouge plant at Dearborn, Mich. The exhibit shows how both spot and seam welding is done in the manufacture of Ford V-8 cars.

Changes Made At Police Station

Rearrangement of counter and fixtures in the city police station has been made this week which will give more space to the officers on duty at the desk and provide for closing off the quarters back of the counter so that admittance can not be made unless permitted. A gate with an electrical device will be installed, which can only be opened from within. An officer will be on duty at all times day and night.

Broomcorn Capital Optimistic

LINDSAY, Okla. (U.P.)—The broomcorn capital of the world is looking forward to a banner year this season. Timely rains, added to already bright prospects, have increased the hopes of Lindsay broomcorn dealers. They predict good prices and an abundance of the product.

Laundry Office Is Enlarged

Improvements at the Torrance Laundry have added many square feet to the floor space of the office building which has been made about four feet wider. The additional space provides more comfortable quarters for the office workers and greater convenience in handling the daily business. Additional space has also been added to the garage building.

Skunks Prey on Bees

SANDUSKY, O. (U.P.)—Skunks are becoming a menace here for a new reason. By breaking into bee dens and hives and devouring the occupants, they are seriously affecting fertilization of fruit trees in the vast orchards which comprise a large part of this section's industry.

Hollywood Bowl's First Week; Klemperer, Heifetz, Escudero

Grand Opening week in Hollywood Bowl July 16 to 20 is declared to contain the greatest array of stars in the history of the world famous amphitheater. Otto Klemperer, (upper left) renowned conductor, will direct the Los Angeles Philharmonic Orchestra July 16 and 19. Jascha Heifetz, (lower left) foremost violinist, will play July 19. Klemperer conducting the orchestra; Vicente Escudero, Spain's most noted male dancer and his featured artist Carmita (right) will be starred in a ballet Thursday night, July 18. Ernest Schelling, eminent American composer-conductor-pianist, will lead the orchestra in a special Children's Night, Saturday night, July 20. In the world's largest natural amphitheater the fourteenth consecutive season of Symphonies Under the Stars will consist of thirty-two concerts from July 16 to September 7. Featuring ballets, operas, solists, symphonies, and other notable attractions.

Bank of America Shows Gain In Deposits In Twelve-Month Period

Bank of America National Trust & Savings Association in its statement of condition as of June 29, 1935, shows total deposits of \$993,651,000 and total resources of \$1,113,896,000. Bank of America (California), the associated state bank, is not included in the published statement as heretofore.

Over the period of the past 12 months the national bank has increased \$180,947,000 in deposits. During the same period it has voluntarily returned \$15,000,000 in Postal Savings deposits to the U. S. postoffice department, and has retired \$45,500,000 in outstanding circulation.

In line with the increase in deposits, cash and due from banks increased \$34,187,000 and investments in U. S. government bonds and other securities gained \$74,135,000 and surplus has been increased \$2,500,000 by a transfer from undivided profits. Bank of America N. T. & S. A. still leads all banks of the nation in the number and dollar value of loans made under the National Housing Act, with 15,240 loans made in the total amount of \$9,395,493.

During the first six months of this year, Bank of America N. T. & S. A. earned \$8,033,717. Of this amount, \$2,500,000 was paid in dividends on capital stock; \$3,406,291 was added to reserves, and \$2,127,426 to undivided profits. After the addition of the amount to undivided profits, and the transfer of the \$2,500,000 to surplus, the undivided profits account stood at \$16,791,766. The amount provision for depreciation, bond served from current earnings made amortization, losses, contingencies, etc.

Since January 1, 1935, Bank of America N. T. & S. A. has opened five new branches, including the new branches opened June 29 at Ferndale and on May 6 on the grounds of the San Diego exposition. This brings the total branches of Bank of America N. T. & S. A. and its associated state bank to 425 in 258 California communities.

Bank of America (California), the associated state bank, which now operates ten branches, as of June 29 had total deposits of \$29,302,000 and total resources of \$23,216,000.

Plans For Yacht Harbor Are Sent To Supervisors

Plans for a yacht harbor to cost \$1,325,000, located at Malaga Cove, based on a report by Ralph S. Brooks, were submitted to the board of supervisors this week and ultimately it is hoped will reach the board of United States army engineers for their study and approval.

According to the report the plans provide for a 4,000-foot breakwater in about 25 fathoms of water. The breakwater is proposed to be constructed of rock and to have a base of 122 feet and a top of 12 feet, costing \$1,275,000. A concrete cap and railing would cost \$30,000, and a light-house would cost an extra \$20,000, bringing the total to \$1,325,000. Approximately 42,000 cubic yards of rock and 1,780 cubic yards of concrete would be required for the project, according to estimates.

The report pointed out that there are 15,000 privately owned pleasure boats in Los Angeles county. Three methods of revenue were suggested, leasing the proposed harbor to a private yacht club, leasing it to private commercial interests, or operating it by the county recreation department. The last suggestion was recommended in the report.

The breakwater would provide 30 acres of still water, of which 130 acres would be available for yacht anchorage. It was pointed out. It was also stated that the plan would provide sanitary water for bathing and would permit later construction of clubhouses, bath-houses and other recreational centers.

Southwest Group Hopes to Secure Location At Malaga Cove

Plans for a yacht harbor to cost \$1,325,000, located at Malaga Cove, based on a report by Ralph S. Brooks, were submitted to the board of supervisors this week and ultimately it is hoped will reach the board of United States army engineers for their study and approval.
