

War Nurse Heads Legion Post

GILMORE CITY, Ia. (U.P.)—Miss Mary Malloy, a war nurse, is the first woman ever to be elected an American Legion post commander in Iowa. She was honored by the Gilmore City Legionnaires. Her three years of war service made her eligible. Four brothers of Miss Malloy were World war veterans.

Here and There with the Girl Scouts

By MADALYN PINKHAM

The Torrance Elementary school troop of Girl Scouts is seeking a new leader, since their present leader has had to give up the work. The girls want some one who could give her time and help develop the troop. Inquiries may be made at the Girl Scout clubhouse on El Prado, where the Scouts meet after school.

The Girl Scouts held an outing at Banning park Monday, November 4. Fourteen girls attended with Captain Millard. Transportation was furnished by the Torrance municipal bus driven by Mr. Russell. Wieners, buns, pork and beans, candy, cake and good old pumpkin pie were served. Among the games that were played were Chinese puzzle and baseball. All of the Scouts enjoyed it very much and are eagerly looking forward to another outing.

Sensation of Westside Will Meet "Moose" Irwin Friday Night

The film colony is at last agog with excitement over a fighter who is making a meteoric ascension at the Westside auditorium, namely, Murray "Red" Britton, M-G-M heavyweight hope who opposes "Moose" Irwin at the Westside fight emporium, located at 645 West Anaheim street, Long Beach, next Friday night. The Moose, hitherto unbeaten locally, will be on the short end of the betting. The fight fans will remember that the Moose drew the biggest gate in the history of the Westside when he administered a sound licking to Sailor Francis Marke in the amateur days of the club. But the big 200-pound star of the great M-G-M movie studios will make the big Moose take a back seat for the first time. Last Friday night Britton put the skids under Sailor Gunboat Harris, something that none of the boys have been able to do in the past. The fact that the

Watch This Guy In Bruin Game Monday

DALLAS, Tex. (U.P.)—Southern Methodist followers are picking Robert Edward Wilson for all-American honors this season. He's a little fellow—weighing only 145—but he's the sparkplug of the S. M. U. offense, and as fast a back as any on a South-west Conference team. For two years Wilson has been the class of the conference, and this year, he is going stronger than ever. He is considered one of the finest broken field runners in the country. New Yorkers who saw the Fordham-S.M.U. game last year probably remember Wilson. He was the little fellow who played only five or six minutes. He entered the game when S.M.U. was behind. He left the game a few minutes later, after making two touchdowns and putting the Ponies ahead. Wilson won a place on the S.M.U. varsity in 1933. That year he scored 48 points to top individual scorers in the conference. In 1934 he led again with the same number of points. As a freshman he did not appear a future great, but played a steady game. It was not until his sophomore year when he made the varsity that the "Mustang Mite" became the idol of S.M.U. followers.

LIKE SHEETS OF PAPER, SINGLE USAGES OF NATURAL GAS ARE MATTERS OF TRIVIAL COST

If you ask a schoolboy the cost of a single sheet of his tablet, he will probably have some difficulty with fractions. The amount is so small. Similarly, individual uses of Natural Gas are matters of small fractions. The costs of Gas to heat water for a morning shave—to cook a cereal—or to heat your room while you're dressing are almost too little to calculate. It takes dozens of uses like that to equal the sum of a nickel. An even more important factor than low cost is the efficiency of Natural Gas. No other fuel approaches it for speed—none excels it for control. Ask your Gas Company or dealer to inspect your equipment. Perfect operations are dependent on perfect adjustment.
