

Railroads Plan To Handle Great Increase In Travel

With opening of the summer travel season on May 15 less than a month away, plans rapidly are being completed in railroad circles for handling an increasing number of vacationists and tourists to and from California, it was announced today by Lawson Overman, district passenger agent, Southern Pacific Railway.

Train travel costs are lower this summer than ever under the new fares that include elimination of the Pullman surcharge, while air conditioning of diners, observation, club, lounge and room cars on the Golden State, Sunset, Overland and Cascade limited trains will make rail travel still more comfortable.

As evidence of the moderate cost of train travel for the summer season, it was pointed out that the first class roundtrip season fare to Chicago will be only \$36.00; the intermediate-tourist fare, \$68.50, and the roundtrip coach fare, \$97.35. Proportionate rates will apply to and from other cities.

—at Narbonne High School

A radio and garden motif will be the theme of the semi-annual A9 banquet which will be held in the Narbonne cafeteria Tuesday evening, May 15. The banquet is an important social event each term for the class graduating from junior high to senior high.

Since there are three A9 home-rooms, each group, with its sponsor, has certain duties. Mrs. Knape's class is planning the refreshments; Miss Vida Williams' group is taking charge of the decorations; while Mr. Willebrandt's is planning the entertainment. Each home-room has a committee made up of the president, vice president and one other person.

Billy Duker will act as master of ceremonies with Bernice Fish as the student speaker. Mr. Sampson and Miss Mason have been chosen patron and patroness.

The menu, planned by the students, will consist of fruit cocktail, Virginia baked ham, new potatoes, relishes, string beans, asparagus, vanilla ice cream and mints.

An interesting trip to the Classical Center in Los Angeles will be taken Saturday morning, May 12, by members of Narbonne's Latin Club. The purpose of the visit will be to increase their knowledge of the life and customs of ancient Rome.

"The Ghost Train," the senior play that will be presented at Narbonne, Friday, May 18, under the direction of Mrs. Schwartz, is being smoothed up for its presentation. The cast has been chosen, with Otis LeGrande, senior A boy, in the leading part.

The scene is laid in a haunted railroad station where several passengers are stranded for the night. There are thrills galore in this mystery drama, which is the first ever to be produced at Narbonne. Several boys, under the direction of Mr. Darnell, have been working on the sound effects, which play an important part in "The Ghost Train." Mr. Willebrandt and his stage crew are hard at work on the set.

Miss Leona Hayes, noted harpist, gave a performance at Narbonne during roll call period Monday, May 7. She has recently been making a tour of the Midwest.

Before beginning the concert, Miss Hayes gave a brief history of the harp, and an explanation of how to play it. Among her large repertoire were such favorites as "Old Black Joe," "The Indian Love Song," "Annie Laurie" and "The Last Rose of Summer." Student body members were guests at the concert.

The ceremony is to be public, with Judge A. M. Cleveland officiating.

Keeping Up With Torrance High

Robert Angel, a former student of Torrance high, was honored recently when he was presented with the Mae Corwin memorial trophy at the graduation of the winter class at Banning high. The trophy is a silver cup mounted on a black pedestal and was first presented in 1933. The name of the winner will be engraved on the cup. The Mae Corwin award is based on scholarship in biological science.

"The Man Who Died at Twelve O'Clock" will be presented by the junior class soon. It is a one-act play with an all-Negro cast. Two of the cast have been chosen, George Bradford and Jacqueline Price. It is being planned as a source of funds for the Junior Prom held in June.

A Junior Revue is another entertainment to raise money being discussed. It will be on the order of a musical comedy with members of the junior class imitating well-known characters of the stage, screen and radio.

Second place in the World Friendship oratorical contest was taken by Alice Burger, who represented Torrance high at Narbonne Thursday, May 3. "Are We Wise Enough?" was her topic. Under the leadership of George Bradford, Boys' League president, a new constitution was drawn up by a committee consisting of Wil-

lard Barnett, Jimmy Lee, Kenneth Haslam, Milton Everett, Carl Paxman, Harold Watson, George Bradford and Roger McGinnis. Until now the Boys' League has been a comparatively inactive organization, but from now on it is planning to sponsor Boys' Week and similar functions.

Following the adoption of the constitution an election of League officers was held. Louis Zamperini was elected vice president; Jimmie Lee, secretary; Bob Wertz, treasurer, and John McFadden, sergeant-at-arms.

In accordance with National Boys' Week, special attention was given to boys' activities and organizations at Torrance high last week. The week began with "Boys' Day in Churches," April 29, when special church services were held. On May 1, "Boys' Day in Loyalty," fathers' and sons' night was

featured. A special program for boys and their dads was held in the school gym that night.

On May 2, "Boys' Day in Citizenship," good citizenship was discussed in classes. Other days featured boys in industry, schools, libraries and recreation.
