 Communion Services will be conducted on Sunday in all branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The subject of the Lesson-Sermon is "Sacrament." Christ Jesus' words, "The bread of God is he which cometh down from heaven, and giveth life unto the world," constitute the Golden Text.

These verses from Revelation are included in the Lesson-Sermon: "He that hath an ear, let him hear what the Spirit saith unto the churches. . . Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. To him that overcometh will I grant to sit with me in my throne, even as I also overcome, and am set down with my Father in his throne. . . I am the root and the offspring of David, and the bright morning star."

One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing. He taught his followers that his religion had a divine Principle, which would cast out error and heal both the sick and the sinning."

Every Ford V-8 Model has 112" WHEELBASE • V-8 ENGINE 85 HORSEPOWER

The only change in the Ford V-8 is the change in price. Lower price does not mean any change in basic materials or in engineering. Ford has only one standard. There is only one Ford V-8 car chassis. It gives you a full 112-inch wheelbase. It is a powerful car—developing a generous 85 horsepower. It has the only V-8 engine in a car selling for less than \$2500.

Despising highest in roominess and its power, the new Ford V-8 is the most economical car Ford has ever built. You save on gas and oil every mile you drive. Examine the new Ford V-8. Look at costly cars. The more high-priced cars you inspect . . . the more Ford V-8 features you'll see!
