## Watch the Race of the Electric Meters

NOW BEING HELD IN THE SHOW WINDOW OF THE Southern California Edison Company (Next to Bank of America)

Westinghouse vs. 60 Watt Refrigerator Lamp

One meter is connected with an average size WESTINGHOUSE domestic refrigerator, (smaller size models use even less current.)

The other meter is connected with a 60-watt electric lamp.

While the refrigerator is working under the handicap of standing in the blazing heat of the afternoon sun, it is ONLY consuming about ONE-HALF as much electricity as the 60-watt lamp. Here is proof positive of the ECONOMY of the new 1934 WESTINGHOUSE refrigerators.

**CHURCHES OF CHRIST, SCIENTIST**  
"Christ Jesus" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from I John 5:1: "Whosoever believeth that Jesus is the Christ is born of God; and every one that loveth him that begat loveth him also that is begotten of him."  
A Scriptural citation in the Lesson-Sermon contains the verses from John 7: "Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly. Jesus answered them, I told you, and ye believed not; the works that I do in my Father's name, they bear witness of me. . . . I and my Father are one. . . . If I do not the works of my Father, believe me not. But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him."  
One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "Christ, Truth, was demonstrated through Jesus to prove the power of Spirit over the flesh—to show that Truth is made manifest by its effects upon the human mind and body, healing sickness and destroying sin."

## Uncrowned King Of Mat Game Is Here This Week

John Kadish, who admits that he is the uncrowned king of heavy-weight wrestling champion of the world, arrived in Torrance this week and is looking over the city with a view to making his home here for the present. Whether he does so, will depend on the state of the market for industrial employees, but John is hoping to convince the "tops" of some plant in Torrance that this golden opportunity to secure the services of a wrestling champ should not be turned down.

John weighs in at 174 ring-side and has plenty of clippings from various newspapers all over the country to substantiate his claims of worth. He appeared at the Wilmington Bowl a few nights ago is booked for a return date within two weeks. He takes all comers, he says, and makes it tough on one and all who get on the mat with him.

Another of John's specialties is eating glass, so he says. Those who are piloting him around town are carefully steering him away from the old glass plant on Border avenue.

**New Series of Sermons Planned By Rev. Elder**  
Beginning next Sunday, September 2, the Rev. George Elder, pastor of the Torrance Christian church, will start a series of sermons dealing with Christ's parables. The sermons will be delivered during the morning worship hour and will continue throughout the Fall season. The pastor said: "Christ's parables confirm his divinity. To me they have the stamp of omnipotence almost as clearly as his miracles have. They are so deep that the average man can interpret them in the light of the main thought. The parables are the characteristic message of Jesus. Jesus is Master of parable because He is Master of Life."

The concluding church service of the union series will be held at the Torrance Methodist church next Sunday evening, September 2, at 7:30 o'clock. Rev. George Elder, pastor of the Torrance Christian church, will bring the message.

## Mrs. Ida Hatton Taken By Death

Mrs. Ida Hatton, age 27, residing at 22212 South Main street, Keystone, passed away Monday, August 27, at the Jared Sidney Torrance Memorial hospital shortly after she had been admitted as a patient. She had been ill for some time. Mrs. Hatton was a native of England but had resided in the States for a number of years. She is survived by her husband, Sidney Hatton, and two children.  
Funeral services will be held Friday, August 31, from Stone & Myers chapel.

**Rains Saved Texas Bees**  
SAN ANTONIO, Tex. (U.P.)—Recent rains that broke the drought here also saved the lives of thousands of bees. Showers brought out 35 varieties of blossoming shrubs that insured a future supply of honey.
