

Tartars Are Tied

With Gardena For Top Spot In Marine League Series

The Torrance Tartars laid the whip over El Segundo last Friday to the tune of 9-2 in the third game of the Marine League series, and are now tied with Gardena for the top spot in the league. Only two games remain to be played, with Gardena tomorrow and North Long Beach for the closing effort.

If the Tartars take Gardena tomorrow, they will be in a good spot to clinch the championship in baseball for this season. Last year they finished in a tie with Gardena and lost the playoff. Paxman will probably pitch tomorrow, and the prospects are good for a win.

On Tuesday the Tartars took on Washington in a practice game, and won 8-3 with Lefty Williams in the box for the first five

frames. Paxman finished out the game, which was well laid away, just for the exercise.

The fray was featured by two home runs by Kiyomura and Earl Smith. Kiyomura distinguished himself by lifting a line drive over the fence, the longest hit ever recorded on Washington's field.

With the close of the Marine season, interlocking games will be played on April 5, 9 and 12.

Track Season Opens

With Novice Relays Held At Gardena Field Next Tuesday, March 26

Spring track season will open unofficially next Tuesday with the novice relays for all boys in the Marine League who have not earned a letter in track. The meet will be held in Gardena with Torrance, Narbonne, El Segundo, Leuzinger, North Long Beach and the hosts competing.

The regular track season will open April 12, according to the revised schedule just received by Coach Bernie Donahue from the board of education athletic department. A jump of two weeks will be necessary on account of the Easter vacation, and the second meet will be held April 26, and from then each week until May 10. The week of May 17 a bye is scheduled, which will per-

mit city schools athletes to enter the Southern California meets held at the Los Angeles Coliseum on May 18.

Marine League activities will close May 24, and will be followed by interlocking meets and the city schools preliminaries and finals.

The complete schedule of Marine events is as follows:

April 12 TORRANCE at Leuzinger. Narbonne at Gardena. North Long Beach at El Segundo.

April 26 TORRANCE at Narbonne. North Long Beach at Leuzinger. El Segundo at Gardena.

May 3 North Long Beach at TORRANCE. Narbonne at El Segundo. Leuzinger at Gardena.

May 10 El Segundo at TORRANCE. North Long Beach at Gardena. Leuzinger at Narbonne.

May 17-Bye

May 18 Southern California finals.

May 24 Gardena at TORRANCE. North Long Beach at Narbonne. El Segundo at Leuzinger.

The state meet at Fresno on May 25 will be a night meet. Tentative plans are being made to take such athletes as will enter from Southern California to Fresno in buses, leaving early in the morning on Saturday and arriving in time to let the boys get some rest before taking part in the events. It is expected that Torrance will be represented at this meet by the world's champion miler, Louis Zamperini; Hubert Luck and possibly one of two other promising men of the Tartar team, as Torrance expects to place several in the Southern Cal meets, which is the requisite for participation in the state meet.

Strikes and Spares

The L. C. Doan team broke even with the Brown's Garage team, each taking two points. A. Johnson and C. Quayle led the Doan team with 513 and 457. Brown and G. Smoak led the garage men with 493 and 431.

The Western Consumers Feed Co. team took three points from Terry's Service Station team in a close series. C. Sander and H. Sheller led the Consumers with 494 and 455. C. Smith and Ed Maley were tops for Terry's, both rolling 431 scores.

The Drew Electric Shop team took three points from the Flying A Gas team, Owens and M. Hill leading them with 500 and 471 series. P. Ford and B. Bullock were high for the Flying A team with 503 and 437.

Mercantile Traveling League Gunderman's Service Station team dropped three points to the Webster and Girard Cigar team in a close match. Russ Quayle rolled a 562 series.

The Compton No. 2 team lost three points to the Hart's Auto Parts team. A. Smith rolled high series, 597.

COAST BASEBALL league season STARTS APRIL 6

Games in the Pacific Coast League will start April 6, with the two home clubs, Los Angeles and Hollywood, meeting at Wrigley Field. A double header will be served up on Sunday. Other games scheduled for the opening dates are Seattle at Sacramento; Missions at San Francisco; and Portland at Oakland. The season will close September 22. Los Angeles and Hollywood playing again at the latter's Field Games in the American and National Leagues start April 16, and the finals will be played September 29.

Scholarships Are Offered

This year the University of Southern California is offering 25 scholarships, 25 to high school, and 10 to junior college graduates, for outstanding scholastic achievement. The contest is nation-wide, and carries full tuition for one year. Applications must be made by April 15.

Occidental College offers honor scholarships for 25 outstanding high school and junior college seniors, the awards to be made on a competitive basis, and applications must be made by May 1.

South Africa Booms Wheat. MONTREAL, (U.P.)—Canada's trade with South Africa has increased so greatly that one steamship company here has been forced to press five extra ships into service. The ships are "added starts." The company's regular four freighters on the route will run on their usual schedules.

Ride 'Em Cowboy, Beat That Bronco

Yippee! Fox O'Callahan, cowboy rider, polishes leather as this mustang tries out fancy bucking tricks he learned as a wild horse on the range. One of many similarly exciting events to be witnessed during the eighth annual Baker Ranch Rodeo to be held Sunday afternoon, March 31, at Pasadena Rose Bowl.

"Ride 'em cowboy!" That familiar cry of the range will resound in Pasadena Rose Bowl Sunday afternoon, March 31, as a result of an announcement made by Roy Baker, prominent Southern California rodeo promoter, and Bob Anderson, associate, that the eighth annual Baker Ranch rodeo will be held this year. In announcing the date of a rodeo Baker stated that he has already received assurances from the world's greatest riders, bull doggers, lariat wielders, bronco riders, cow wranglers and trick riders from all parts of western United States, Canada, Mexico and South America that they would participate.

International Marathoners Follow Route of the Padres

SAN DIEGO—Sanction for an international marathon over the classic distance of 26 miles, 385 yards, was received here today from the A. A. U. by the Combat Post 1460, Veterans of Foreign Wars.

The race will be run May 30 from Agua Caliente, Mexico, to the grounds of the California Pacific International Exposition, over the historic route followed by Padre Junipero Serra, founder of California's chain of missions.

P. R. Gleason, promotion manager of the post, said he anticipated about 150 entrants in the strictly amateur event, including some from Mexico, Cuba and Canada.

The exact course followed by Serra is now being worked out by Mrs. G. Aubrey Davidson, wife of the chairman of the exposition, from authentic sources in possession of the San Diego Historical Society.

The starting gun of the race will be fired, it is planned, by a high official of the Mexican government. The runners will be met in the exposition grounds by the Greek consul and a gathering of American officials.

MRS. McANALLY is new owner of NEWS AGENCY

Owing to illness in the family, Mr. and Mrs. H. B. Amos, who established the Torrance News Agency at 1322 Sartori several months ago, have disposed of their interests to Mrs. Margaret McAnally, who is now in charge. Mrs. McAnally plans to add a distinctive new line of greeting cards to her stock, and will continue to handle newspapers, magazines, gifts and a circulating library. Mr. and Mrs. McAnally, who are native Texans, have resided at the Portola Apartments in Torrance for the past three years. Mr. McAnally is connected with the Richfield refinery.

Nebraska Finds Coal NEBRASKA CITY, Neb. (U.P.)—Mining operations have been begun near here, opening up one of the few workable coal veins ever found in the state. The coal, which was tested for excellent quality, is being sold at the mine.

SPORT SHOTS

By Bob Lovellian

Members of the Torrance high school golf team are rounding into shape for the Torrance tournament, early this year. Golf Coach James Burbeck, who coached the Tartar team to a championship last year is helping the boys every Monday and Friday afternoon on the Palos Verdes course, Torrance's home grounds. According to members of the team, they expect to produce another winning team, and bring home the cup to our city for 1935. The following boys are on the team: Bud Bradford, Jim Grubbs, Roger McGinnis, David Williams and Harry Oswald.

Bud Bradford, number one man on the Tartar team this year, is making a name for himself, playing on the Western avenue golf team. Bud expects to play in the state championship tournament to be held in San Diego in the near future, representing the Western avenue links. This experience will no doubt help Bud's playing in the high school class when the 1935 series begins. It begins to look as though young Bradford will make a name for himself in the golf world, along with other Torrance golf players, Oliver and Ray Slepy and Joe Disario.

Here is one of the reasons that head coach Ben Conrad turns out good athletes and championship teams year after year. A few weeks ago Narbonne high school of Lomita had their annual cross-country run. 87 boys were at the starting line when track coach Sloss fired the gun. Compare the figures with Torrance high school when they ran their first annual cross-country run last year. Torrance had six boys in the race, Lomita had 87. Oh well, there is only a difference of 81 boys.

Richard McMinn, a junior and dark horse of the event took first place with the fast time of 9 minutes and 27 seconds. McMinn outran Clinton Powers, who was hoped to be number one man at the finish. Powers holds the class Cee, Southern California 650-yard dash record.

McMinn established a new record for the course, and should be a threat in the Marine league track meets this year, if he runs the mile.

While we are discussing the Narbonne Gauchos, here is some news of former athletes who have played under the coaching of Conrad, and may be of interest to Torrance sport fans.

Scotty Shepard, who played on the Loyola college freshman team last year, plans to attend Gonzaga college in Washington. Shepard is a great football player and it surprises me why coach Tom Lieb of Loyola lets this boy get away from him. Oh well Lieb likes the Minnesota boys anyway.

Harry Morgan, one of Narbonne's former stars expects to attend the University of California, at Berkeley. The Golden Bears like his style of footballing.

Hede Watanabe one time great of Lomita, is building up quite a reputation as a boxer, at the West Side arena, Long Beach. Michael Yelovich, is playing golf on the Loyola College team.

Coach Dean Cromwell has one of the greatest broad jumpers of all time on his U. S. C. freshman squad this year. Don Skinner, former Manual Arts high school boy. Last year Don won the Southern California and state titles. He also ran anchor man on the Manual Arts relay team that set a new world's high school record. At the State meet in Berkeley last year I had the pleasure of watching this boy in action. Don had won the jump for the title, and was trying to establish a new world mark. On his last jump, some newspaper photographers asked him to try for perfect form. The camera was set up back of the jumping pit, and Don took off, a perfect jump, and a new world mark in the air, but as the boy hit the ground he fell back instead of forward. The jump was well over the 25 foot mark, but the officials would not give him the new world mark, because he fell too far backward. Anyway the reporter had a perfect picture for his paper. Don also runs the 100-yard dash in 9.2. Watch this great broad jumper, who is only 19 years old, and should, under the coaching of Cromwell, become the United States' greatest broad jumper in Berlin, Germany next year.

While we are discussing the Trojan freshman track team, one should not forget that Cromwell has a great team. A team that as far as individual stars are concerned, give the varsity a run for their money. Don't forget the former South Gate high school sprinting star, Anderson Tally, who has unofficially run the 100-yard dash in 9.7, and who always clips it out in 9.3. Tally was here at the Long Beach relay a few weeks ago. Beating Al Fitch in 9.3. Not bad for a boy who has three years of varsity competition ahead of him. Tally of

All-Stars Move Back

To Municipal Park For Inter-City League Game March 31

Jack Silva's All-Stars found the going tough last Sunday, when they met the North Long Beach Merchants on the high school grounds here, and lost, 5-3. Neither side scored until the fourth, when the visitors put over three runs. They added two more in the eighth, while the home boys gathered two in the seventh and one in the eighth but had to stop there.

Blake and Willis were pounded for 12 hits, while Mallett held Torrance to three scattered blows, one each to Venable, Wynegar and Coats.

Box score: North Long Beach AB H O A Conrad, 3b. 5 3 1 1 Lost, 2b. 5 3 1 6 Thrig, c. 5 2 6 0 Kinley, cf. 5 1 1 0 Gray, lf. 5 0 2 0 Greer, rf. 5 0 2 0 Burke, ss. 4 1 2 1 Mitchell, 1b. 4 0 11 0 Mallett, p. 5 1 0 1 McQah, lf. 1 1 1 0 Totals 41 12 27 9

Foundry In The Lead

In Columbia League Playoff Series; Down Open Hearth Saturday, 8-5

The Foundry and Open Hearth departments met in the first game of the big championship playoff last Saturday morning with first blood going to the Foundry. The game was a corker being very close up to the last inning when the Foundry pulled out into a three-run lead. The Foundry played heads up baseball, taking every advantage of the Hearth boys' misplays and it was only through this that they finally won out. The first run was scored when Art Simpson hit a line drive to right field which got through the Hearth fielder's legs and went for a home run. From that time on it was a ding-dong battle with neither team far in front at any time.

The Open Hearth put on a rally in the ninth inning, scoring two times, and had runners on second and third, but a fine running catch in deep shortfield ended the game.

Gomez, pitching for the Foundry, was master of the Hearth team and except for one inning of wildness would have held them to but one run, while Angel, pitching for the Hearth, was the victim of some bad fielding out in right field where three errors allowed the Foundry six of their eight runs.

Art Simpson's fine fielding and Rice's hitting were features of the Foundry play, while D. Malinar at short was the leading lady for the Open Hearth.

Box score: Foundry. R H E Rice, 3b. 0 4 1 Moody, lf. 0 0 0 A. Simpson, ss. 1 1 0 S. Johnson, rf.-c. 1 1 0 Fetherolf, cf. 1 0 0 Santich, 2b.-rf. 2 1 0 Bonerud, 1b. 1 1 2 Hernandez, c. 0 0 0 Gomez, p. 2 2 0 L. Simpson, 2b. 1 0 0 Totals 8 11 3

S. C. and Anderson of California will have a lot of fun trying to beat one another next year. Now, let's look at Delos Thurber, former Glendale high school boy and state champion of 1934. Thurber is 18 years old, over six feet tall and rates up with Walter Marty of Fresno and Corny Johnson of Compton J. C. Thurber, although freshman at S. C., is the best of Cromwell's high jumpers. This boy usually jumps around 6 feet 5 inches. Here's the way I think the American Olympic high jumping team will read next year. In order of their greatness, Johnson, Marty and Thurber.

FAMOUS EVENTS IN HISTORY Lieutenant Zebulon M. Pike reached El Paso, Texas, as a prisoner of the Mexicans, March 21, 1807.

The league's champion batter got his \$10 prize and to the disappointment of the Rolling Mill gang, he walked over and banded it to his wife.

Next game Saturday morning, 11 o'clock.
