Strong List of Clubs Included In New Night Ball Loop For Summer Series

Organization of the new Federal League, which has been stewing for some time, was completed last Friday night at the meeting of managers held at Huntington Park. Eight clubs are in the family circle, Torrance, which was the instigator of the new loop, Los Angeles, Hollywood, Montebello, Glendale, Huntington Park, Whittier and Alhambra. This is a little different set-up from what was originally contemplated, and spreads the circuit over a wider territory, but according to the managers will be a pleasing combination, and much stronger in drawing power than the first line-up.

Lee S. Woodruff, owner of the Pinar Palace ice skating rink in Hollywood, and a sports promoter of many years' experience, was elected president, replacing Bob Hebert, sports writer for a metropolitan daily, who was

IF YOU DON'T GET BLOW-OUT PROTECTION

Maybe you don't think blow-outs are dangerous. You would if you heard what we hear every day—if you heard motorists tell of the blow-outs they've had. They say they're through taking chances. And they're equipping their cars with Goodrich Silvertowns. For Silvertowns are the only tires made with the Life-Saver Golden Fly.

No Extra Cost!

Let us put a set of Goodrich Safety Silvertowns on your car. You'll have Life-Saver Golden Fly blow-out protection. And you'll be protected from dangerous "tail-spin" skids, too. You'll understand why when you press your hand down on the deep-grooved, extra-thick Safety Silvertown tread—when you feel the grip of the big, husky cleats. And this rugged tread will give you months of extra mileage, too, at no extra cost.

The L. C. Doan boys lost three points to the Drew Electric Shop boys in a close match. A. Johnson was the hot shot for the Electric shop gang with a 499 series. The results of this match brings the electricians to within five points of the grocers, and with only three more weeks to go, a close race should develop.

The Brown's Garage team lost three points to the Terry's Service Station team, when G. Housler, holder of the 587 series for the garage team, H. Leonard was high for the garage team with a 648 series. The Western Consumers Feed Company team took three points from the Flying A Gas team when T. Spance rolled a 506 series. P. Ford, with 526, was high for the gas team.

Mercantile Traveling League The Gunderman's Service Station team took three points from the Borden's Milk team. R. Quilty led the service men with a 575. O. Brown was high for the milk squad with a 558 series.

The Compton No. 2 team took three points from the Charles Denby Cigar team when Bud O'Daniels piled up the wood to the tune of a 612 series. G. Dolan was high for the cigar team with a 566.

MRS. FREEMAN gives champions A FREE FEED

Mrs. Lou Freeman, proprietor of the Mammy Lou Cafe, who is one of Torrance's most consistent baseball fans, entertained the Foundry team, champions of the Columbia League, at a banquet last Monday night, which the guests say was the last word in a fine feed. Mrs. Freeman and her staff are master hands at planning, cooking and serving a meal to please the man of the palate, and all the boys were filled to the eyebrows with the good things that were heaped upon them. The after dinner hour was devoted to stag sociability, and a "good time was had by all" say the 11 guests.

The Foundry team is still cocky over winning the championship and has agreed to take on an All-Star team, made up of the best from all the other teams in the league. The game will be played Saturday morning, starting at 11 o'clock at the Columbia steel plant field. Admission free.

Ed Thompson of the Chevrolet Agency is giving a prize of ten bucks to the winner. The champs will pose for a picture before the game. The photo will be framed and hung up in the mill for future generations of steel men to marvel at.

Baseball Association Formed Here To Back Up The Torrance Bluebirds

In order to get the town completely behind the Torrance Bluebirds, and help them along in their campaign for the pennant at the end of the new Federal League season, a local baseball association has been formed which will take considerable of the load off the shoulders of Manager Spud Murphy.

At a meeting held Monday night, W. E. Bowen was elected president, and Bob Delinger, secretary and treasurer, and several appointees were named to have charge of various departments. Councilman W. H. Tolson will have charge of the park and local advertising. Otto Modelin will handle the season ticket sale and assist the secretary. Dick Lockwood has been made responsible for the posters, stationery, score cards and paper work. Charles M. Smith will be the Lomia representative with the responsibility of spreading the good word around in that community about the ball game.

Second "Alamo" Battle At Municipal Park Ends With Mexican Team on Short End of Score

Saturday was the big day at the Torrance ball park when the all Mexican ball club met one of Americans to settle the question of who was and who was not. It might have been called the second battle of the "Alamo" but this time it was the Mexicans who did the taking as the

American boys hung up a big 13 to 5 victory. The game was a dandy up to about the seventh inning with Ruffgraf pitching a great game and the boys giving him sparkling support. At this time Manager Jack Quigley of the "Americans," who evidently believes in plenty reserves, sent in about six substitutes and from that time on the game loosened up and became a hit and run affair with plenty of runs.

Shelby Venable gave the local ball players something to shoot at when he hit a home run inside the park. Art Simpson and Casey were also outstanding players for the Americans, while Pete Rios brought the Mexican supporters to their feet several times for the losers.

Next Saturday these same All Stars will meet the champion Foundry team.

Attendance at the Sunday games is growing, each week, and the boys appreciate the interest of the fans enough to put on a good show for them. As admission is free, there is no reason why Torrance fans should not pack the grandstand when the weather settles down to normal.

The new greensward in the outfield is a big improvement, both in appearance and in speeding up plays out there.

Saturday, April 20, U.S.C. vs. U.C.L.A. in track and field at the Los Angeles Coliseum. Pick the Trojans, with their great balanced team to win with ease. In fact the meet will only be a workout for them, to get in shape to take the Stanford Indians in stride the following week, at Palo Alto.

Pete Zamperini, local athlete, and holder of the Pacific Coast Junior College record for the mile run has earned his varsity track letter and sweater at U.S.C. Pete is the first and only Torrance athlete who has ever earned a varsity letter on the Trojan campus.

Here's a bit of interesting news on the Leuzinger-Torrance track meet held last Friday. Four boys of the Torrance squad made more points for their team, than the entire Leuzinger team put together. Bobby (Bullet) Wertz was high point man for the meet, taking first in the 100 and 220, and running lead off man for the relay team. Bobby was responsible for 14 points, earning his letter in track the first meet. Hubert Luck and Truman Waugh followed close behind, with 9 1/2 points each. Johnny McFadden was fourth man with 7 1/2 points to his credit. These four athletes were responsible for 37 points, more than half of the total Torrance score.

Glenn Cunningham, world's greatest middle-distance runner, is having his trouble, by being famous. Cunningham, who concluded his collegiate career at Kansas University last year, and now is seeking a master's degree in physical education at the University of Iowa, still is in great demand at all track meets.

Cunningham made this reply to a newspaper reporter of Kansas City recently: "I like to run, and I've had my greatest indoor season this winter, but it would be something of a relief to stay in Iowa City long enough to get more work done. I've been here just one week-end since the indoor season opened last winter. I can't do much work on my thesis at that rate."

Cunningham holds the world's indoor and outdoor records for the mile and the indoor record for the 1,500 meters.

Despite the fact that the 1934-35 Notre Dame basketball team had the poorest record in 10 years, it drew 109,400 persons, the largest in the school's history. The team won 13 games of 22, according to reports from the Catholic school.

Helen Stephens, of Fulton, Mo., recently made her bid for the Olympic games. Helen who is only 17 years old, beat the great Stella Walsh in the 60-meter dash by equaling the world's record for women at 6.9 seconds.

According to observers she has very little form in her events, but has the necessary ability to be another Babe Didrikson.

She also holds the national titles in the standing broad jump and the shotput. Amateur Athletic officials expect this new find, to win many honors for Uncle Sam in the coming Olympic games.

While we are speaking about athletes here is one for the baseball players of the United States to ponder over. Nellie Twardzik, 15-year-old Dudley, Mass., high school girl is out for first base on the Bartlett high nine this year.

A sophomore, Nellie is competing with several boys for the 220 and broad jump, and ran anchor man on the relay for a total of 16 1/2 points. Davis was second for Jordan with first in the high hurdles, pole vault and high jump. Binder was high point man for El Segundo, taking first in the 440 and shot put and second in the broad jump.

Old-time baseball fans, of the "good old days," will remember Cyrus "Cy" Townsend, as the former home run king of the Pacific Coast League. But things have changed for Townsend, he has joined the select list of the game's millionaires—but not by playing baseball.

Field Men Surprise

Tartar Track Team Wins Handily Against Leuzinger, First League Meet

Coach Bernie Donahue's champion track team surprised Leuzinger last Friday afternoon and romped off with the meet 69-35. Torrance took nine first places, and staged a three-man show in the 100-yard dash when Wertz, Luck and McFadden swept to the tape in a blanket finish.

Olympic Talent

Jimmy Gilhula of the U. S. C. swimming team, and potential Olympic champion, recently broke 16 swim records in one day. He shaved 35 seconds off the old mile record.

Torrance, which was reputed to be weak in the field events, more than held its own, and will go into the coming meets with a lot more confidence of piling up points. In the high jump Kiyomura, Waugh, of Torrance, and Belsion, of Leuzinger, tied at 5 feet 8 1/2 inches. Schlipper, of Torrance, and Wilson, of Leuzinger, tied for first in the pole vault at 10 feet. Jack Javens bettered 44 feet in the shot put but had to be content with second place, his Leuzinger rival, Sanford, tossing the iron apple out 45 feet 10 1/2 inches.

New school records were set up in the high jump, broad jump and high hurdles.

All in all, in spite of the high wind which held down time in the running events, it was a very satisfactory meet in Coach Donahue's opinion, and hopes are entertained that the Tartars will repeat their success last season.

Results:

Score, Leuzinger, 48; Torrance, 34.

Jordan High Wins From El Segundo

Jordan high school, North Long Beach, made a clean sweep of the varsity, Class B and Class C meets, the first of the Marine League schedule, held last Friday afternoon. The three teams defeated El Segundo, varsity 63 to 40 1/2; Class B, 63-30; Class C, 46-30.

Gregory, star dash man and broad jumper, took first in the 100, 220 and broad jump, and ran anchor man on the relay for a total of 16 1/2 points. Davis was second for Jordan with first in the high hurdles, pole vault and high jump. Binder was high point man for El Segundo, taking first in the 440 and shot put and second in the broad jump.
