CHRISTIAN SCIENCE CHURCHES
"God" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
A Scriptural selection in the Lesson-Sermon includes these verses from Mark: "And one of the scribes came, and having heard them reasoning together, and perceiving that he had answered them well, asked him, Which is the first commandment of all? And Jesus answered him, The first of all the commandments is, Hear, O Israel: The Lord our God is one Lord: and thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these."
One of the passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Dost thou love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind? This commandment includes much, even the surrender of all merely material sensation, affection, and worship."
