NOTICE TO STOCKHOLDERS
The annual stockholders' meeting of the Torrance National Bank will be held at the Banking Rooms, on Tuesday, January 14, 1936, at 3:30 p. m., in Torrance, California, for the purpose of electing a Board of Directors and to transact such other business as may properly come before the meeting.

Torrance Youth Held On Suspicion

Donald Whitaker, 19, residing at the Clay Apartments, was taken into custody by Torrance police Saturday and held for Signal Hill officers who took him in charge on suspicion of burglary. The alleged offense was reported by Hopkins & Robertson Oil Refinery, where the premises had been entered and a small table radio was missing. Suspicion was directed towards a Torrance youth as the culprit since a young man had been loitering about the vicinity of the refinery and boarded a truck coming in this direction. Whitaker recently came here from Florida.

Held to Answer Grand Theft Charge

Edwin F. Miller and Walter Milburn, alias Arthur Lake, who gave his true name at the preliminary hearing on December 2 as Walter Pine, were bound over to the superior court on charges of grand theft. The men were arrested in Torrance recently and arraigned before Judge Frank R. Carroll in the Inglewood township justice court at Gardena, who set their preliminary hearing for this week. Bond in Miller's case was fixed at \$1,000 and for Pine \$5,000, in default of which they were committed to the county jail to await trial.

CELEBRITIES congratulate local LEADER

Souvenir programs, issued by the Torrance Symphony orchestra prior to its first concert of the 1935 season, many of which were mailed to out of town musical celebrities, brought a gratifying recognition to Conductor George N. Merston.

Letters of congratulation were received from Mrs. Leland Ahlertson Irish, manager of the Southern California Symphony Association, who acknowledged the invitation to attend the Torrance concert with Mr. and Mrs. Merston to be her guests at the Philharmonic orchestra concert on November 23. Others who wrote, expressing appreciation of the Torrance enterprise, were Theodore Schroeder, celebrated Boston vocal authority, who is now located in Los Angeles, and Estelle Brown Mills, Los Angeles artist and teacher.

Mr. Schroeder suggested that the Torrance orchestra invite William Matchan, soloist with the Los Angeles Symphony Orchestra, to be the guest artist at the next concert in January, and negotiations are now being carried on with Mr. Matchan to secure his presence here at that time.

ADDISON SMITH, Reporter TROOP No. 3

The meeting Friday night, November 29, was largely devoted to practicing for the inter-patrol rally to be held next Friday night. The patrol winning the rally will receive the efficiency banner. Inspection was won by Jean Bordeaux of the Tiger patrol. Mr. Brunzell then talked about a swimming party to be held soon. The patrol leaders were called upon to report on what had taken place at the patrol leaders' meeting last Tuesday evening.

The meeting was then closed with the Great Scoutmaster's prayer with Jean Bordeaux blowing taps.
