**CHURCHES OF CHRIST, SCIENTIST**  
"Thou art my God: thy spirit is good: lead me into the land of uprightness." This passage from the Psalms is the Golden Text in the Lesson-Sermon on "Spirit" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. A Scriptural selection presents these verses from John: "There was a man of the Pharisees, named Nicodemus, a ruler of the Jews: the same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him. Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God. Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Every step towards goodness is a departure from materiality, and is a tendency towards God, Spirit."

**Did you get the Biggest car for your money?**  
Does it have the longest wheelbase of any car at its price or anywhere near it? Most inside room? Widest rear seat? Six-passenger foot space as well as seating space? Roomiest baggage compartment? Greatest over-all length? Most horsepower? Did you get the biggest car for your money?

**You do . . . in Hudson or Terraplane**  
It pays to compare before you buy! And whether you compare by dimensions and specifications, or by what a car can do . . . you'll find more for your money in Hudson or Terraplane than in any other cars. Terraplane, for example, gives you the longest wheelbase of any low priced car . . . with far more inside room. And these 1936 Hudsons are the biggest cars ever priced so low. You can seat six without rumpling gaudies or wrinkling linens. And everyone has a place to put his feet! For there's no "hump" in the rear floor. And with the Electric Hand . . . an optional extra . . . no gear or brake lever in the floor in front. No other popular car has the Electric Hand, the easier, safer way to drive. Flick a finger . . . and gears shift! With both hands on the wheel! Extra miles, too, from every gallon of gasoline. We'll be glad to prove it! Come for a drive today in a Hudson or Terraplane. And let us show you how easy it is to buy . . . very, low monthly payments with the new Hudson-C. I. T. 6% Budget Plan.
