All Clock Controlled Models of New Gas Ranges to Go  
On Sale Monday at \$30 Off List Price!

Positively No Sales Before Monday, September 21

"THE BIGGEST THING IN YEARS!"

That's the statement made by all of the gas range dealers in this area when the gas company and the range manufacturers broke the news of this big event.

Think of what it means! On any clock controlled gas range now for sale by the dealers whose ads appear in this special edition, THERE IS A DISCOUNT OF \$30. You actually get the clock for nothing, and any housewife who does not have a modern gas range equipped with a clock controlled oven will welcome this great news.

In addition to the sale price you get a FULL 10% TRADE-IN ALLOWANCE ON YOUR OLD RANGE—no matter what its condition. Terms are only \$5 down and small monthly payments.

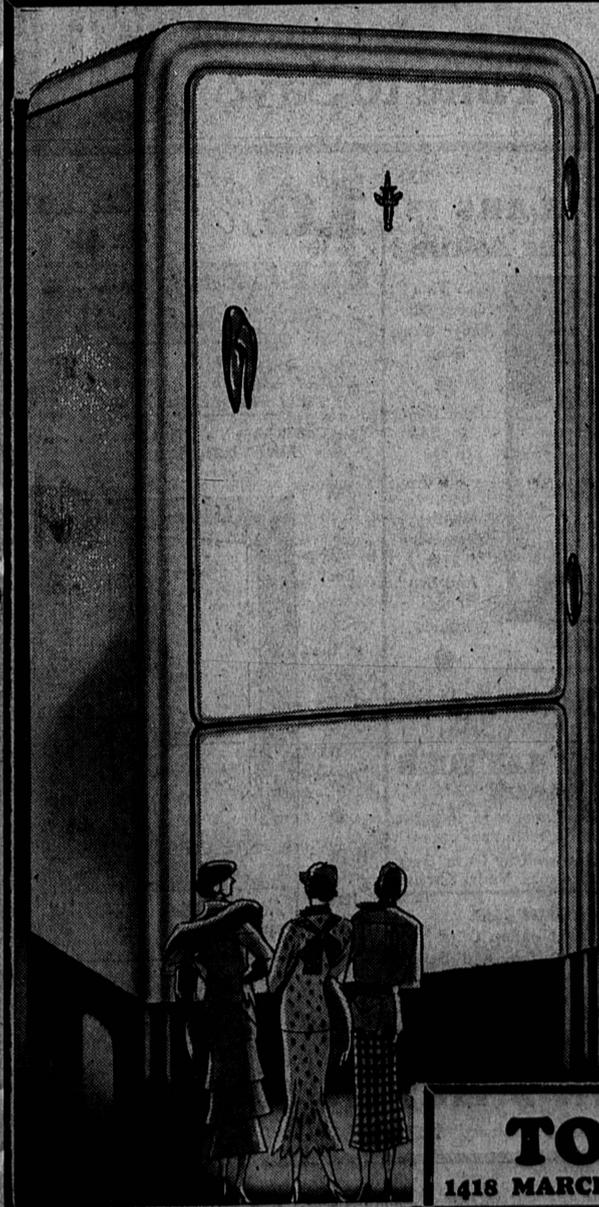

Make your selection NOW! Don't wait until the best models are gone! And remember...every DeLuxe clock controlled range is on sale!

### Buy Your Gas Range In This Territory From These Pages!
