SONJA HENIE, hailed as the star-discovery of 1937, in the Twentieth Century-Fox, spectacular-musical smash, "One In A Million."

Four Radio Headliners In Gay Comedy

Jack Benny, whose radio programs were shown by recent reports to be America's favorite air-wave entertainment, heads the all-star cast of "College Holiday," gay comedy of modern campuses and ancient Greek Elysian gardens which begins tonight at the Torrance theatre. George Burns and Graeae Allen, who don't do so poorly themselves as radio entertainers; and Martha Raye, the girl who zoomed to stardom after only three motion picture ap-

pearances, are also in the cast. Miss Raye is known to millions of her listeners for her appearances on the Bing Crosby program, and is now on the air in a program of her own. Besides this delegation from Radioland, Screenland provides Mary Boland, Marsha Hunt, Leif Erickson, Eleanor Whitney, Johnny Downs, Louis DaPron, Olympe Bradna, Etienne Girardot, Ben Blue and many others.

Wonder Show Features Skater

Sonja Henie, Queen of Ice, Reveals Grace

Star-radiant, laugh-lavish and melody-laden with romance and drama in stunning snow-silvered settings, "One In A Million," the spectacular musical smash that thrillingly glorifies the girl in a million, lovely Sonja Henie, will start a three-day run at the Torrance theatre Sunday.

With a hundred gorgeous girls in sensational ice-revels amid a dazzling winter wonderland of breath-taking beauty, it's the wonder show of 1937 with a cast in a million that includes, in addition to Sonja Henie, the Queen of the Silvery Skates, Adolphe Menjou, Joan Hersholt, Ned Sparks, Don Ameche, the Ritz Brothers, Arline Judge, Borrah Minnevitich and his gang, Dixie Dunbad, Leah Ray and Shirley Deane.

Having already astounded first the sport world, and then a much wider public with her exhibitions of unbelievable grace and rhythm on skates, Sonja leads a breath-taking ice ballet in "One In A Million," which features a tremendous dancing chorus on skates.

Lily Pons Stars in Musical Comedy

Opera Star has Splendid Role in 'Girl from Paris'

Acclaimed as one of the greatest—although she is certainly the tiniest—of the world's operatic stars, Lily Pons returns to the sound screen and floods it with her glorious voice, in "That Girl from Paris," co-starred with Jack Oakie and Gene Raymond. This production opens Friday at the Plaza theatre in Hawthorne.

The five-foot Gallic songbird enjoys the reputation of being the busiest singer in the world, being occupied in opera, radio, concert and picture work, sometimes simultaneously.

Now the diminutive French songstress whose petite stature belies her exceptional voice returns to the screen for her second starring vehicle, "That Girl from Paris." Said to be a sparkling melody festival, it pictures Miss Pons as a Parisian opera star—who leaves her fiancé at the altar, thumbs her way across the Atlantic Ocean and sails into a gay, exhilarating romance with Gene Raymond whose manifestations form an entertainment delight.

Rotarians Will Visit Catalina This Saturday

A number of Torrance Rotarians will embark Saturday for Catalina to take part in the charter presentation by District Governor Marshall de Mott to Rotary's youngest club, Avalon Rotary. The original date, Feb. 6, had to be cancelled owing to interruption of service due to the maritime strike. The postponement, however, has increased reservations at the Hotel St. Catherine for the big event to almost double the original number.

Following luncheon at the hotel on arrival of the noon steamer Saturday there will be golf and bridge tournaments. The charter presentation to President David Ray Arnold of Avalon Rotary will precede the banquet and dance at the St. Catherine Hotel to which all Rotarian wives and friends are invited.
