SAVE ON TIRE COSTS

Firestone

STANDARD TIRE

HIGHER QUALITY RAW MATERIALS... MORE EFFICIENT MANUFACTURING and LOWER DISTRIBUTING COST... ALL COMBINE TO GIVE YOU FIRST QUALITY AT A MONEY-SAVING PRICE!

The Firestone Standard Tire gives you the blowout protection of Firestone's patented Gum-Dipping process. EVERY FIBRE of EVERY CORD in EVERY PLY is saturated and coated with pure, liquid rubber which counteracts internal friction and heat that primarily destroy tire life. Its scientific-

cally designed tread gives greater non-skid protection and longer wear. And those two extra layers of Gum-Dipped cords under the tread guard against punctures and provide greater strength by binding the tread and cord body into one inseparable unit.

Before you buy ANY tire at ANY price, see today's top tire value — the Firestone Standard Tire. Don't risk your life with thin, worn tires on your Fourth of July trip. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires — the tires that always give you so much more for your money!
