Merchants' Group Planning Yule Events Here

(Continued from Page 1-A) A short talk to the general session Friday evening, pledged the continued cooperation of city officials to assist merchants and business firms here.

Service station operators, it was announced, have decided to close at 1 p. m., that day. The Torrance Pharmacy, Dolley Drug company, and Alcorn's Drug store will remain open all day.

Child Pinned Under Car in Collision

Altho she was badly hurt Saturday evening when she was pinned underneath her father's car after a collision at Spencer and Earl streets in county territory adjoining Torrance and Redondo, little three-year-old Joyce Brunwin of 20558 Valerie street, West Torrance, is making a good recovery at Jared Sidney Torrance Memorial hospital.

Horace Thomas Brunwin's car and a machine driven by Mrs. Bernice Davison of Redondo's Earl street off Torrance boulevard, were involved in the mishap that caused the child to be hurt. Brunwin's car is said to have turned over three times.

First aid treatment was given little Joyce and Mrs. Davison by a Redondo physician and the child rushed to the hospital here for further observation and care.

Bureau Opposes Perfume Plan

A recommendation that the county board of supervisors drop plans for the promotion of experimental work in the development of perfume and drug plants at Alondra Park, near Torrance, was made this week by the Los Angeles County Farm Bureau.

S. E. Goodall, Farm Bureau executive secretary, said the bureau is of the opinion such experimental work should be performed by agencies commonly delegated to such activities, such as the College of Agriculture of the University of California or the United States Department of Agriculture.

The Board of Supervisors had been considering an experimental station to be operated at Alondra Park under a \$125,000 W.P.A. grant and a \$25,000 county contribution.

LOCAL FIRM DOUBLING PUBLIC STORAGE SPACE

In a few weeks when the busy workmen and mechanics now enlarging the structure at 1617 Border avenue have completed their jobs, Torrance will have a furniture and household goods storage establishment equal to any in Southern California. This will be operated by John E. (Jack) Miller, head of the M & M Transfer and Storage company.

The present quarters of the firm on Border are being doubled and a series of steel-lined storage rooms added to provide individual quarters for home goods storage. Other individual locker spaces are being built in various sizes to accommodate any amount of goods, Miller said this week.

The M & M company, which has been operating from here for the past five years, now runs six trucks and six trailers and keeps eight men on the payroll regularly. Sometimes Miller employs as many as 20 additional workers to provide transfer service in rush periods.

Mayor Offers Clock Tower Suggestion

Lang Felt Need Underneath could be located public restroom facilities and the whole structure, set in the midst of this city's new civic center, serve a useful purpose.

"We have one 'town-clock' located on the Torrance National bank building but a larger time-piece atop a modern tower in the civic center would serve to link the five buildings on Cravens and El Prado into a real center group," Mayor Tolson said.

Will Print Letters

"My suggestion about the clock is made only to provoke some consideration among our residents as to future civic development here. It is not 'official' and I have not consulted other members of the council about it. I merely want to see what reaction—if any—there is to the idea," Mayor Tolson pointed out.

Local Police Aid Sheriff at Wreck

Asked to investigate a reported auto accident at Spencer and Earl streets in county territory by Sheriff's substation No. 3 when the sheriff's patrol car was incapacitated, Officers Bennett and Tolson went to the scene of the wreck and assisted in removing the injured to a Wilmington hospital Saturday night.
