Reservations may be had by phoning Clara Conner 199. **HAZEL LEWIS BRIDE AT CHURCH CEREMONY**

Miss Hazel Lewis, daughter of Mrs. Ada Lewis, 1724 Manuel avenue, became the bride of Glenn M. Jain, assistant engineer for the city of Torrance at a ceremony performed in First Methodist church at Redondo Beach Saturday.

Rev. Claude Young, pastor of the church read the service in the presence of 125 persons.

Miss Lewis chose as her wedding ensemble, pink corded wool with squirrel trim and black and gray accessories. She wore a corsage of gardenias. Mrs. Lawrence Smith, sister of the bride as matron of honor wore a tailored suit of brown with brown accessories and corsage of Talisman roses.

Francis Jain, brother of the groom served as best man. Frank Perkin, Roland Mackoy and Melvin MacArthur were ushers.

A reception for 55 was held at Hollywood Riviera immediately after the ceremony. The couple spent several days in Santa Barbara and are now residing at 1724-A Manuel avenue.

**DETOUR**  
Col'm Under Construction By BETSY BYRNES

"When a man hath no freedom to fight for at home, Let him combat for that of his neighbors; Let him think of the glories of Greece and of Rome, And get knocked on the head for his labours."

These lines were written over a hundred years ago. Byron evidently well understood what it meant to meddle in other countries' affairs.

**QUESTIONS**

With the reopening of school, we will soon be hearing our local Madrigal Singers again. What is a madrigal?

If you were visiting in England, one of your British pals might remark, "I say, old bean, let's have a jolly little game of draughts!" Just what would that mean in the good old U. S. A.?

Here's one question we'll bet you can't answer: What is the difference between an Arabian camel and a Bactrian camel?

**TODAY'S PROVERB**

"Most men forget God all day, and ask Him to remember them at night."

**ANSWERS**

A madrigal is really the earliest form of skillful secular vocal composition. It originated, presumably, in the Netherlands. A madrigal may be in three, four, five or six parts.

Draughts is what the English call the game of checkers.

There is just one hump of difference between an Arabian and a Bactrian camel. The Arabian has only one hump, and the Bactrian has two.

Birds Win Over U. S.

BUTTE, Mont. (U. P.)—The United States government has been obliged to install a second mail box at 1802 Adams street. Bluebirds occupied the first one and built a nest and although they were ejected several times they persistently returned until the postal authorities gave in and ordered a second box.

**DEER SEASON TO CLOSE SEPT. 15 IN SOME AREAS**

With deer hunting in the Coastal counties closing Sept. 15, hunters in other sections of California today prepared for the opening of other districts from Sept. 15 to Oct. 15, inclusive.

The season is ending for Districts 2, 2½, 2¾, and 3, which comprises the coast counties from the coast range to the ocean, roughly from Mendocino county to Ventura.

Hunters shot down 25,000 deer last year and more deer tags have been sold this year than the 130,000 issued in 1937. The limit is two deer per season, except in districts 1½ and 4½, where only one is permitted.
