11. Idaho vs. Washington St.

**SIMPLE RULES!**

1. Obtain free entry blanks from any of the advertisers on this page. (All entries MUST be submitted on the OFFICIAL Entry Blank).
2. Read all the advertisements on this page and find the game listed in each one. Write on the Official Entry Blank the teams and the number of points you estimate the winning team will win by. For example: White University over Black College by 20 points. Mail your entry (or bring it to The Herald office) but BE SURE IT REACHES US BY 10 A. M. Saturday, Oct. 8. (Your entry may bear a postmark not later than 10 a. m. Saturday). The games listed today are for this week-end. You have only two days so you'll have to hurry!
3. Winners are determined in the following manner: By naming the right team and coming closest to the correct score. You are not allowed to predict tie games and you are penalized 50 points for naming the wrong team. For example: If you pick Black to beat White by ten points, and White wins by ten, the score against you will be 20 plus 50, or 70 points. The person who scores the fewest possible points in this week's winner of the two tickets.
4. This contest is open to all except employees of The Torrance Herald. The Herald shall act as judges and their decision shall be final.

**Borrowing Wisely Is Good Business**

Too many people have the false impression that borrowing is a sign of weakness or distress. Such reasoning holds back the march of progress. Wise loans represent foresight—the ability to see beyond the end of your nose—to take advantage of existing conditions to lay groundwork for greater returns in the future.

Borrowing wisely is good business, and we have money to lend for sound purposes. Discuss your plans with us.
