"Love" is the subject of the Lesson-Sermon on Sunday in all churches of Christ, Scientist. The golden text is from the Psalm: "How excellent is thy lovingkindness, O God, therefore the children of men put their trust under the shadow of thy wings."
 One of the Bible selections in the Lesson-Sermon presents this verse from Deuteronomy: "Know therefore that the LORD thy God, he is God, the faithful God, who keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations." These verses from John's first epistle are also included: "Beloved, let us love one another; for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God; for God is love. . . . And we have known and believed the love that God has to us: God is love; and he that dwelleth in love dwelleth in God, and God is in him. A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "The starting-point of divine Science is that God, Spirit, All-ness, Truth, that there is no other might nor mind,—that God is Love, and therefore He is divine Principle."

Neatly Darned Kerchief of Napoleon on Exhibit

NEW ORLEANS (U.P.)—A neatly darned handkerchief, once belonging to Napoleon, has found its way into the Cabildo museum.

The handkerchief, enclosed in a glass cage in one of the rooms, is about twice the size of modern day handkerchiefs. It has a polonic crest and an embroidered N is one corner. The darned spots, hardly noticeable, are said to show the emperor's frugal habits.

 A telephone in the home means, for some folks, more and closer friends and more good times. For some, a telephone means a quicker way to a job or a business opportunity. It pays to have a telephone. The cost is low—only a few cents a day. May we send a representative?

James J. Byrnes, Long-Time National Supply Officer, Expires

A long life of service—26 years of it spent as purchasing agent for the National Supply company—came to an end early yesterday morning when James J. Byrnes succumbed at his home, 2028 Carson street.

Mr. Byrnes had been in poor health for many months. He retired as an officer of the National Supply company last October. Few men here had the wide acquaintance he had. As one of the pioneer residents of the community—he came to Torrance when the Union Tool company moved its plant here in 1913—he took a keen interest in civic affairs although he never sought public office.

His fellow-workers at the local industrial plant regarded him as a man of sterling character, always willing to assist in many kindly acts and one who was outstanding for his love of his home.

Funeral is Friday

Mr. Byrnes was born in Manchester, England, and came to this country as a young man. Equipped with a good education, he found his niche in the industrial work and several years ago was honored by the Los Angeles Purchasing Agents' association by being elected president.

He is survived by his devoted wife, Mrs. Nello C. Byrnes; a daughter, Elizabeth, and a son, Edward. The funeral service will be held tomorrow (Friday) afternoon at 1 o'clock at the Stone and Myers chapel, R. W. Keefe, C. S., a personal friend and fellow-worker, will conduct the Christian Science service. Norman Sorenson Wright, a noted organist-composer who is a close friend of the Byrnes family, will have charge of the music. Cremation will follow at Inglewood Crematory.

Fate Strikes Strangely
 YOUNGSTOWN, O. (U.P.)—Bud Seidner, pilot, asked two friends to "take a spin," but they refused his invitation, saying that they considered flying too dangerous. A few weeks later, both died from natural causes. Seidner still is flying.
