Polio Outbreak Being Fought

With nearly two score poliomyelitis cases from all parts of Los Angeles county now under treatment at General Hospital, officials announced today that no expense would be spared to halt the spread of the outbreak which they declared had not yet reached epidemic proportions.

While the number of sufferers from the dread malady now is larger than at any time since the epidemic of 1934-35 the present situation would not be alarming except for the highly contagious nature of the disease, hospital authorities said.

Ordinarily there are only two or three polio cases under treatment at the hospital and the present situation was not revealed until Everett J. Gray, superintendent at the hospital, applied to Wayne Allen, chief administrative officer of the county, for emergency funds to fight the disease.

"The hospital authorities have been informed that the present situation is to be considered as an emergency," Gary told Allen. "Amply personnel and medical attention must be supplied regardless of budget limitations."

Moser Hurls Perfect Game at San Pedro

Don Moser, star hurler of the Hydril softball team, pitched a no-hit, no-run game against the Longshoremen nine at San Pedro Sunday night and rapped out two hits, all that the dockworkers' chucker allowed, to score a 2 to 0 triumph. It was the first defeat for the Longshoremen in 10 starts.

In addition to his perfect mound performance, Moser rapped a three-bagger in the third and a home run in the fifth with one on. He went out trying to stretch the first blow into a homer.

Fred Pearson, Longshoremen's hurler, had the Indian sign on all hitters except his mound rival. He fanned 18 men and did not issue a single walk. Moser had 13 strikeouts but walked three.

Building Hits Slack Season

New construction in Torrance has apparently hit the mid-summer slack season, judging from the few building permits issued during the past two weeks at the city engineer's office.

This week only two construction jobs were started. H. C. Goslin is erecting an addition to his home at 2161 236th street for \$1,000 and E. A. Day is adding a two-car garage, laundry and rum-pus room to his residence at 1323

Amapola, the work to cost \$600. Day recently added two rooms to the same house for \$400.

TWO HOMES STARTED IN LOMITA
Construction of two homes is now under way at 253rd street and Narbonne avenue by Walter Goslin, Long Beach contractor, who may build more in the area. Goslin indicated this week that, contingent on zoning restrictions, he may extend his project over a score of vacant lots in the neighborhood to give Lomita its first large-scale home-building effort in many years.

Opening of another large-scale construction project above Roosevelt highway in the neighborhood of 203rd street is planned but actual work is held up pending possible opening of the section for FHA loans.

Carl Gilbert, Jr., 1511 Acacia avenue, leaves Thursday for a two weeks vacation. He plans to spend the first week with his grand-parents, Mr. and Mrs. C. L. Gilbert of Maricopa, and the second week in San Francisco.
