

Santa Claus Returns Last Letters; Says He Will be Here Friday

JOLLY OLD FELLOW COMING TO PRESENT HIS GIFT CHEST

The mails being what they are—jammed with flying presents, Christmas cards and Yuletide letters—no more "letters to Santa Claus" written by local youngsters are expected to be returned from the North Pole. The final batch of letters was received yesterday but Santa sent a note along with them. He wrote:

"Tell all the boys and girls that I'll continue to record their desires in my big book as fast as their letters are received at my workshop. But I won't return any more for publication because I don't want to contribute to the congestion of the mails. Cheerio! I'll be seeing you in Torrance Friday night when my Gift Chest is opened!"

Here are the youngsters' letters to Santa:
