We've had Negro, Japanese and British ball teams appear for special attraction games in the Torrance city park but Sunday, May 26, will be the first time an outfit of native African Zulus will cavort on that diamond with the Torrance-Lomita Indians offering the opposition.

Manager Walt Morris of the home club signed the Zulus this week for a one-afternoon showing of their spectacular brand of baseball.

**CHIEF BOLO**

Headed by Chief Bolo, a 6 ft. 4 in. giant, the tribe boasts a record of winning 24 straight games in 1938 and 18 in 1939. They are nationally known, having played in 15 states, Canada and Alaska. The Zulus, all said to be natives of the Darkest Africa, have played 132 games together and lost but 18 of them. Chief Bolo is a pitcher and outfielder. He claims a record of hitting

### S.P. Sweeps Meet at Lomita as Four Marks Are Beaten

As San Pedro made a clean sweep of the dual track meet last Friday afternoon at Narbonne's field, four meet records were shattered. The Pirates had a tough time in the varsity division but won the mile and relay to save their perfect record. The San Pedro B and C squads won easily.

The varsity team defeated the Gauchos 54-15 to 49-15, winning the edge with the relay. The Pirate Bees triumphed 72 to 22 and the Cees defeated the Lomita pee-wees, 63 1/2 to 13 1/2. Dick Bauer, San Pedro, won the low hurdles, established a new record for the highs to be a double winner. Pothoff, miler, lowered the mark in that event when he ran 4m 45s, while the San Pedro relay team clipped that mark.

San Pedro faces Banning tomorrow afternoon in the final dual meet of the league schedule and should complete the season with an undefeated record in all three divisions. Results of last Friday's meet at Lomita were:

### Extraction of Wisdom Tooth Keeps Zamperini Out of Competition With Maki at Coliseum Friday

Contrary to announcements in Los Angeles papers, Louis Zamperini will not compete in the two-mile run at Coliseum show tomorrow (Friday) night against Maki and other famed runners. The reason why the Torrance runner will be out of that event is because he underwent an operation for the removal of an infected wisdom tooth Monday in Los Angeles.

However, if his physician permits, Zamperini will appear in the 880 at the Coliseum. Last Saturday night at the Fresno Relays Zamperini beat Stanford's Moore in the medley relay, breaking the tape a bare four inches ahead of the Indian ace. He also appeared in the four-man two-mile relay.

### Home-Run Ices Games for Indians Tuesday Night at City Park

Homer Cheek's home-run in the fifth with the bases loaded iced the first night hardball game of the season Tuesday evening for the Torrance-Lomita Indians. The local club defeated the Navy All-Stars 6 to 2 at the Torrance city park diamond. The score had been tied 1 to 1 up to the time Cheek poked out his circuit trip.

The Indians scored in the first and got five more in the fifth. The Navy team tallied in the fourth and once more in the seventh. Papke and DeHoag allowed the Navy nine scattered hits while Hauck was nicked by the Indians for seven blows.

Tonight the Standard Oil Refinery nine from El Segundo will play Gaffers & Sattler at the Torrance diamond starting at 8 o'clock. These games are sponsored by the 20-30 club for the sole purpose of providing ball fans of the Harbor district with sport. A small admission fee is charged to defray the cost of staging the contests.

### First Team Enters Baseball Tourney

First entry in the 1940 California State Semi-Pro Baseball Tournament which will be run off at the Torrance city park starting July 6 was received Tuesday by Dale Riley, state commissioner in charge of the tourney. It was from the North American Aviation club, which tied with the Torrance-Lomita Indians for fourth place in last year's tournament.

At a meeting of the Southern California Baseball association Monday night, Riley handed out entry blanks to managers present and learned that he won't have any trouble securing the finest semi-pro hardball teams in the Southland for the Torrance baseball classic.

"I know of between 15 and 18 teams which want to enter and which will send in their entry blanks within the next few weeks," he said. "Last year we had 20 teams in the tourney."

### San Pedro Tennis Team Blanks Narbonne Squad

Taking all seven matches, only one of which went to the third set, San Pedro high's tennis team blanked the Narbonne squad last week in a Marine league meet and moved another notch nearer the Pirates' fourth straight Marine title. The Gauchos netters included Enrieta, Seden, Wells, Graft, Fort, Beckley, Fitzgerald and Croathers.

It is believed that the first fire insurance company in America was organized at Charleston, S. C., in 1736.

This year our problem will be limiting the number of entries to conform to a schedule that won't break very deeply into August.

Championship tournament games are to be played Saturday and Sunday afternoons and every evening thru the month of July at the enlarged Torrance ball park.
