**THE GAY BUCKAROOS** . . . Andy Devine is an appreciative audience for Jack Benny's gags, but it would take a derrick to get a rise out of Rochester. Anyway, these gay buckaroos have plenty of fun in "Buck Benny Rides Again" which opens tonight at the Grand theatre.

**Edison Officials 'Guesstimate' City's Population Will Exceed 11000 Mark**

What is the population of Torrance?

While the answer to that question is still being counted by the Bureau of the Census, a "guesstimate" was made this week by C. E. Hughes, division manager, and C. C. Bartlett, manager of the Redondo district of the Southern California Edison Company.

Their entry in the census predictions is "about 11,000" and here's how they arrived at that imposing figure:

In 1930 when there were 1,655 residential power meters in service in Torrance, the U. S. Census figure for the city was 7,271. This made a factor of 4.3 persons per meter.

Today, the Edison Company has 2,698 residential meters in service in this city. Using the 4.3 factor this gives a population count of 11,500.

However, because the national factor has dropped some from

**Census Enumerator Asks for Return of Blank Forms**

Census forms left at the homes of between 20 and 30 Torrance families which have not yet been enumerated should be sent at once to the enumerator of this district or to the Bureau of Census in Los Angeles to insure an accurate count of Torrance population.

Miss Harriett Price, the enumerator, today appealed to The Herald to urge those families to send in the blank forms filled out as soon as possible.

Her address is 1127 Island avenue, Wilmington, or they may be mailed to the Bureau of Census at 1519 East 103rd street, Los Angeles.

that used by Hughes and Bartlett they believe Torrance's population will be "around 11,000."

**Women of Moose Plan Parade and Patriotic Program**

(Continued from Page 1-A)

Friday night, June 21, and proceed through the business district of the city to the Moose hall.

Public Is Invited

Installation of officers there will be followed by a short but interesting program and dancing. The entire evening's functions are open to everyone. All organizations are invited to attend and anyone desiring further information concerning the parade and program should call Mrs. Elsie Smith, 248W or Mrs. Auguste Barnett, 65.

Officers to be installed by the Women of the Moose are: Mrs. Katherine Gossiaux, graduate secretary; Mrs. Auguste Barnett, senior regent; Mrs. Vortie Grimm, junior regent; Mrs. Pauline Barnett, chaplain; Mrs. Bertha Stevenson, recorder; Mrs. Anna Carlson, treasurer; Mrs. Louise Walker, guide; Mrs. Zoe Dethiers, assistant guide; Mrs. Martha Cooper, sentinel; Mrs. Adeline Smith, arguer; and Mrs. Marie Bopson, musician.

The city council was asked Tuesday night to request the city band to appear in the parade, furnish a police escort and officials were invited to ride in a decorated car. While no action was taken on the request, made by Mrs. Elsie Smith, the city board indicated that a favorable decision will be forthcoming.

**Jim Dowell Wins Second In Finals of Baking Contest**

If Jim Dowell had not been barred from using his hands—his usual manner of mixing batter—he may have won the cake-baking championship of all Los Angeles city system high schools yesterday at the L. A. Shrine Auditorium.

As it was—and with a beater—he took second place and received a gift of all of his utensils, an autographed copy of Prudence Penny's cook-book and \$5 in cash.

The premier prep school cake-baker was judged to be a girl from Edison Junior high school in Los Angeles. Young Dowell was the only boy entrant among some 20 contestants in the final competition. He is a Senior and will graduate June 27.

Mina Hornell, Torrance high student, has returned to school following her recovery from an appendectomy.

**Young Artists to Entertain at Big Benefit Show**

A show which promises to be the best amateur entertainment of the year will be the musical extravaganza "Dance-Krieg" which will be presented at the Torrance Civic Auditorium June 22 by 20 talented youngsters from the Garri-Brant studios as a benefit for the American Red Cross War Relief Fund.

Two scenes will be used for the variety show, the first being a typical Mexican setting and the second a shipboard background. During the intermission an extra number will be given of unusual interest. Miss Ann Garri has designed the entertainment with the best talent in the Southland. Her group of young dancers has appeared at several Los Angeles theatres and she will also use a number of Torrance young folks who have been training at the Garri-Brant studios.

The entire production will be colorful and enjoyed by young and old. A generous portion of the box office receipts will be donated to the War Relief Fund now being accumulated by the Red Cross to relieve the distress of thousands of refugees in war-torn Europe.

**Sons of Legion Arrange District Meet Saturday**

All members of the Torrance Sons of Legion are expected to attend the second annual later district-meeting to be held by their junior organization all day next Saturday at Huntington Park. Robert L. Lovell, 1704 district commander of the Sons will be in charge of the day long assembly and the American Legion's department commander is expected to come to Huntington Park from his headquarters in San Francisco for the meetings.

Two other districts in the junior Legion organization, San Diego and Ventura county, have been invited to send representatives. The Torrance Sons have entered a color guard unit in the competition for that marching display of the big parade that will wind thru the host city starting at 1 o'clock.

Lovell announces that registration of delegates and entrants in the various competitive features will begin at 8 o'clock Saturday morning at the Huntington Park high school. There will be competition by drum and bugle corps, bands, drill teams and color guards composed entirely by Sons' members. A special feature will be a drill team competition for Junior Auxiliary units at the host high school grounds. The public is cordially invited to witness the maneuvers and enjoy the band music.

Following the parade, at 2:30 a pre-convention assembly will be held at Huntington Park high school auditorium. That night, starting at 8 o'clock there will be a dance for the delegates in Patriotic hall.

**Free Movies Continue at Technocracy Meets**

The first of a series of educational pictures presented by Technocracy, Inc., was well received at the local meeting place at 1915 Carson street Tuesday evening. Next Tuesday evening, June 18, the movie will be "Flying Dutchman to Rio," filmed by Pan American Airways. The presentation is free and will begin at 8 o'clock.

STAR . . . Margaret Lindsay is featured in the screen dramatization of Hawthorne's epic novel, "The House of the Seven Gables," which opens Sunday at the Lomita theatre.

CO-STARRED IN COMEDY . . . Loretta Young and Ray Milland are featured in the amusing domestic comedy, "The Doctor Takes a Wife" which starts Saturday at the Plaza theatre in Hawthorne.

**Ted Frenger Tosses Hat In Ring for Assembly on Democratic Ticket**

Ted Frenger, 3715 Emerald avenue, Torrance, today announced his candidacy on the Democratic ticket for the State Assembly from the 68th district, which includes Torrance, Lomita, Harbor City, Wilmington and San Pedro.

FRENGER

Frenger has been a home-owner, taxpayer and community developer in this area for 20 years. He was born in Kentucky in 1890, son of a Methodist minister. Prior to coming to Torrance Frenger was connected with the United States revenue cutter and civil service on duty in American Pacific possessions, including Alaska. He had extensive service overseas in World War I, and is now employed by the National Supply Company here.

In commenting upon his decision to enter the Assembly race, Frenger states that he believes Torrance has an opportunity to send an assemblyman to Sacramento this term by reason that there are so many candidates running from San Pedro to split the heavy harbor area vote.

**Training of Value**

It would be advantageous for Torrance to have a representative in the State Assembly, Frenger points out, when the re-

apportionment following the 1940 census for this district comes up. If Torrance, Lomita, Welteria, Harbor City and the Los Angeles Shoestring strip will get behind one man, he can be elected, Frenger declares.

With the threatening war situation, Ted Frenger feels that he is peculiarly fitted for the work by reason of his well-rounded-out experience and knowledge of conditions and eventualities that may arise because of the conflagration on the other side of the world.

"California has some enormous problems to solve at once," said Frenger, "and I feel that my training and understanding of the problems, especially as related to our vulnerable locality, will be of great value to the state."

**Young Democrats Look to New Leadership**

The Torrance Young Democrats are seriously considering affiliating with a new Democratic group known as the Democrat Youth Federation which was recently formed when a large part of the delegates elected to the California Young Democrats convention in Oakland resented actions of the executive board in assertedly trying to dictate policies to the rank and file instead of listening to the opinion of rank and file.

Miss Peggy Shawger, accompanied by her father, W. E. Shawger, was a weekend guest at the home of her aunt, Mrs. L. C. Sherwood in San Diego.
