

Hundreds Attend Rites for Girl Traffic Victim

Scores of friends stood outside the Gamby Mortuary Saturday morning while every seat and every bit of available space within was filled. They were there to pay their last respects to Mary Louise Whitmer whose life was taken last Wednesday night—another victim of Highway 101.

"Penny," as she was known to her family and schoolmates, would have celebrated her 16th birthday this Saturday. She was an unusually lovable girl and her friends were legion.

At the services Saturday morning her pastor, Rev. J. E. Orr, spoke of the esteem in which she was held by her associates in the church and Sunday school and the scores of Narbonne students testified to their love for a classmate.

Nov. 11 General Holiday Here; 'Taps' to Sound

Monday, Nov. 11, will be Armistice Day and a general holiday in Torrance.

All stores, shops, offices and other places of business (except restaurants, service stations and drug stores) have indicated they will remain closed the entire day in co-operation with the Torrance American Legion Post's endeavor to make Armistice Day a patriotic observance. Promptly at 11 a. m., a corps of buglers, under command of Robert Lewellen, will sound "Taps" from various intersections in the business district. All residents are urged to observe a 30-second silent period at that hour in memory of those who gave their lives as result of World War I.

The Herald will also observe the holiday as usual, the office at 1836 El Prado remaining closed until Tuesday morning, Nov. 12.

Many Beautiful Flowers

Girls from the Junior Choir of the Community Presbyterian church sang and a group of high school boys served as pallbearers while a group of the girls acted as honorary pallbearers. Interment was at Pacific Crest where the ground was covered with the beautiful flowers sent by loving friends.

Besides the parents, Mr. and Mrs. George Whitmer, she is survived by two brothers, George Edward and LeRoy; three sisters, Barbara Anne, Dorothy Loraine and Betty Jeanne; her grandfather, A. L. Witter; an uncle, Morris Witter, and four aunts, Miss Elsie Witter and Mrs. Willard Staples of Pomona, Mrs. Ida Black of Calexico and another in Portland, Oregon.

Community Thanked

As it would be impossible to contact and thank everyone who offered aid in any form and sympathy in the loss of their beloved "Penny," the parents, sisters and brothers, and other relatives of Mary Louise Whitmer have asked The News to thank the community for every kindness shown.

"I have never known such a community spirit of love and helpfulness," said Mrs. Whitmer, "but I cannot find words to express our appreciation. It has helped us to carry on as we have to for others."

So to every individual, every organization in the community, to the schoolmates and friends and to the staff of the Torrance Memorial hospital, The Lomita News, on behalf of the family, extends grateful thanks.

ANATOMY LESSON

Records of the Department of Motor Vehicles indicate that a heavy gas pedal foot and a thick head frequently belong to the same person.

Driver Involved in Fatal Crash Said Missing

Bryon Edward Mulvaney of 24455 Neece street, Walteria, failed to appear at an inquest held at Stone & Myers' mortuary Friday morning to determine the cause of death of Mary Louise Whitmer who died on the previous Wednesday evening as result of multiple injuries received when struck by Mulvaney's car near Narbonne and Highway 101.

Mrs. Maurine Foster of Walteria, sister of Mulvaney, was present, and stated that she had not seen her brother since he left her in Torrance and stated he was going to make a police report of the accident.

Testimony was given by officers on the scene shortly after the accident that the brakes were faulty, failing to stop the car on a test at 30 miles an hour in less than 68 feet.

Decision of the jury was to the effect that the Narbonne high school girl came to her death through negligence on the part of the driver of the automobile.

Mulvaney came to Walteria recently from Utah and was employed at the time of the accident. He was 25 years old and had registered here with the local draft board.

WOMEN RALLY TO NATION'S DEFENSE IN RED CROSS VOLUNTEER SERVICES

Training Courses Fit Them for Duties Vital in Present Emergency

WITH the call to the colors of more than a million of the nation's young men, American women everywhere ask how they can volunteer their services to aid in the emergency. What part can women and girls play in national defense? The American Red Cross, through its 7,700 Chapters and their branches, provides the answer. More than a half million women already have enrolled to give their time in Red Cross volunteer services, according to Mrs. Dwight F. Davis of Washington, D. C., Chairman of Red Cross Volunteer Special Services. Through sewing and knitting a million garments for Europe's war victims, and making millions of surgical dressings for war wounded and sick, they have gained efficiency and experience which can be readily diverted to the work for home defenses should the need arise, Mrs. Davis said.

In order to prepare most efficiently for any emergency which may come, the Red Cross is extending its training courses through its Chapters. Women motorists are trained for the Red Cross Motor Corps; girls who wish to volunteer for office work, train for the Staff Assistance Corps; other thousands join the Cantina Corps; women and girls who wish to learn to protect the health of their families,

Top, left, millions of garments and surgical dressings made for war victims by uniformed women; right, Nurse's Aides trained to serve in hospital clinics; Gray Ladies trained to give morale building services in military and civilian hospitals. All are volunteers who give time to this work of mercy every day.

take Home Hygiene and Care of the Sick Courses; those who wish to learn how to aid the victim of an accident, enroll in the First Aid classes. The Gray Lady Corps is composed of volunteers who require more specialized training and this is available only in those chapters near military hospitals. The Gray Ladies are the visitors in military and civilian hospitals giving those aids and comforts to sustain the

morale of the sick. Nurse's Aides are trained to assist doctors and expert registered nurses in clinics and hospitals and this training is limited at present to regions where there are many hospitals. The Red Cross "preparedness for humanity" program is supported by the memberships of the American public and every patriotic man and woman is urged to join his local Red Cross Chapter during the Roll Call, November 11 to 30.

Injunction Sought to Halt Unions' Jurisdictional Fight at Market

What is believed to be the first case on record in California of one union picketing another is scheduled for hearing soon in regard to A. F. of L. activity about the C. I. O. union Hinckley Grocery store at 24020 Narbonne avenue in Lomita.

A request for an injunction to halt the picketing has been filed with Superior Judge Emmett Wilson by Mrs. K. V. Hinckley who points out that her establishment is 100 per cent union, the workers being affiliated with the C. I. O.

The picketing has followed a dispute over jurisdiction between the two union organizations, with Mrs. Hinckley asserting she is the innocent victim of a union vs. union battle that threatens to ruin a business she has managed to build up over a period of years. She points out that the controversy is unique in the annals of labor history inasmuch as "this is one case where the employer, all employees and the union of their choice are in perfect accord and want to remain that way."

Owner States Case "There is no internal dispute whatever," she emphasized, "between us as employers or as employees. The history of this trouble goes back several years when Columbia Steel workers organized under the banner of the C. I. O. At that time there was quite a campaign to take in other smaller establishments under the C. I. O. and we were among the first to join up.

"Recently I installed a full meat market when we expanded the store. The San Pedro local of the A. F. of L., butchers' union wanted me to put up an A. F. of L. butcher shop card. I conferred with my C. I. O. organizer and he informed me that that union would not consent, pointing out that the C. I. O. does not recognize craft organizations and that the C. I. O. affiliation covers all employees as a single unit.

"If the court rules that the A. F. of L. has jurisdiction, I shall submit and give every cooperation to that organization," Mrs. Hinckley concluded. "I desire peace and the friendship of everyone. I have no quarrel with any union but I want to save my business. That is the reason for the present situation."

People

what they're doing

Mr. and Mrs. J. H. Burchett moved this week to their new home at 1604 Post avenue.

Tony Nady is spending three weeks' furlough with his parents, Mr. and Mrs. J. M. Nady, 710 Madrid. He is in the Navy.

Mrs. Kate Teeters of Hagerstown, Indiana and Mrs. Agnes Jessup of Uplands, California, sisters of Mrs. Frank Shields were Torrance guests last week.

Lee Kirkpatrick enlisted in the Aviation Corps at Hamilton Field is spending several days with his parents, Mr. and Mrs. L. Kirkpatrick of 2384 Torrance boulevard.
