CALIFORNIA SPEAKS!

Significant Statements by Interesting Californians

SENATOR HIRAM W. JOHNSON, on arrival home from Washington: "War! Absolutely, of course, we're headed straight for it."

CHARLES P. VANCE, ex-convict arrested in S. F. for counterfeiting: "San Quentin cons have a school where expert counterfeiters teach anyone who wants to learn the business. I attended."

DARRELL F. ZANUCK, Hollywood: "Newspaper advertising is the most powerful medium of reaching the public that we have ever found."

JOHN FRANCIS NEYLAN, S. F. attorney, warning against laxity of crops of farm produce: "The farm can exist without the city, but the city cannot exist without the farm."

DR. WALTER SCOTT BRANKLIN, Santa Barbara: "A little flaterry is digestible by the most dyspeptic stomach."

BOB MOULTON, JR., S. F. salesman: "The first evidence I've seen in years of government support of private enterprise is when a group of Board of Equalization employees under a table at the Embassy Club 'deficit dinner'."

Legislature Asked to Speed Limit to 45 Miles an Hour

SACRAMENTO. (UP)—An absolute speed limit on California highways of 65 miles an hour today was presented for consideration at the 1941 session of the legislature by the motor vehicle advisory committee.

The committee members stated that the state has no absolute speed limit at the present time. State courts have held that 45 miles an hour is considered the top permissible speed, unless the motorist can prove that exceeding that point does not constitute reckless driving.

Consequently, it was explained that the proposal would set a limit which does not now exist, rather than to raise the limit from 45 to 65 miles an hour.

Vast Malibu Ranch Is Being Subdivided

Subdivision of the vast Malibu ranch of 17,000 acres is under way this week, in conformity with subdivision maps on file with the county surveyor's department.

Held intact for almost 150 years, the ranch was presented in 1804 by the King of Spain to Don Jose Tapia, and has been owned successively since that date by Victor Prudhomme, Matthew Keller and Frederick Hastings Rindge.

The Rindge family has been in possession of the property from 1800 until a few years ago. Small "estates" are now being sold in the ranch hills overlooking Santa Monica Bay.
