 "Unto us a child is born, unto us a son is given. . . . Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever," are the Golden Text in the Lesson-Sermon on "Christ Jesus" on Sunday in all Churches of Christ, Scientist.

Among the Bible citations in the Lesson-Sermon are these verses about Jesus from John: "When came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly. Jesus answered them, I told you, and ye believed not; the works that I do in my Father's name, they bear witness of me. . . . I and my Father are one. . . . If I do not the works of my Father, believe me not. But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him."
 Passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, state: "The divine image, Jesus, or Christ was, is, and ever will be inseparable from the divine Principle, God." "Christ, as the true spiritual idea, is the ideal of God now and forever, here and everywhere."
