Torrance Hi News Notes
By ELIZABETH FISH
KNIGHTS' GARE . . . For several terms the Tartar Knights have not had anything to make them stand out from other school organizations. This week the Knights showed up with new sweaters. These sweaters are very appropriate and very good looking. They are a sleeveless slip on, maroon colored with a tartar head and shield emblem and not only distinguishes the fellows who belong to this club from the other students, but they stand for right and order enforced in a friendly way by "our Knights".

CLUB AIMS . . . The Commercial Club is one of our most outstanding and business-like clubs in T. H. S. Each year the club makes out a list of accomplishments for the ensuing term and members have never been known to fail in accomplishing what they start to do. Their aims for this term are to have a tea or banquet, and to have a speaker at each meeting. They have already planned a trip to Christopher's Candy Co. With the efficient officers in charge of the club you may expect a lot of accomplishments to come. They are Lucy Briganti, president; Joyce Robinson, vice-president; Beida Briggs, secretary; Louise Grasso, treasurer; Elizabeth Rossi, reporter and Raphael Duarte, historian.

JOURNALIST JAMBOREE . . . Last Saturday was quite a big day for four Journalism students who traveled to U. S. C. accompanied by Miss Irene Mills. There they attended the Annual Newspaper Day and were privileged to hear prominent speakers, attend a luncheon, tour the campus and attend conference. The students attending the event were: Betty Follis, Maria Rous, Mary Intermill, editor of the T. N. T., and Richard Paxman.

CLUB LEADERS . . . The B7 class organized a club of their own to study Parliamentary procedure and club laws. The officers are: Kishito Ikezo, president; Ralph George, vice-president; Wayne Newland, secretary; Louis Ludlow, treasurer and Patty Bishop and Pauline Letz, reporters.
Mexican Club officers are: Connie Pina, president; Eleanor Barreiro, vice-president; Alyo Camou, secretary-treasurer and Aurora Reys and Ester Guzman, reporters.
Japanese Club officers are: Miyeko Bingo, president; Emiko Tanaka, vice-president; Ayako Honda, secretary; Mariam Omatsu, corresponding secretary; Wataru Miyakawa, treasurer, and Aki Shimotani, reporter.
Torrance Forum officers are: David Delano, president; Jim Daniels, vice-president; Margie Rusk, secretary; Jo Bayless, treasurer; Marcela Smith, reporter; Leah Bratton, sergeant-at-arms; Cliff Totken, parliamentarian, and Betty Pierson, secretary of membership.

SHORT SHORTS . . . The popcorn machine at the ice cream booth has made a big hit with the students . . . Another sock dance went over big last week . . . It was sponsored by the B11 class to raise money for the Junior-Senior Prom . . . The Future Farmers of T. H. S. recently presented a moving picture to the students concerning Conservation of the National Forests.

Gas Appliance Dealers of District Gather Here for Meeting
Twelve Electroflux and gas appliance dealers of the Southern division met Tuesday evening at Christy's Cafe where they enjoyed a turkey dinner. A business meeting followed and El Segundo dealer McAlister was elected president for the ensuing year while Mrs. F. L. Parks will serve as secretary-treasurer. Following the business session J. O. Law of Inglewood showed interesting colored motion pictures. The group has been invited to spend the weekend of April 19 and 20 at the mountain cabin of the president near Forest Home.

P. V. Symphony at Redondo High Tomorrow Night
Another opportunity to hear symphonic music played in a splendid manner will be offered local music-lovers tomorrow evening, March 14, at Redondo Union high school when the Palos Verdes Symphony orchestra, under direction of Josef Piastro, will present a program of exceptional interest.
"Heavy" music will be laid aside on this occasion and "popular classics" will be in order. The Egmont Overture of Beethoven, Tschalkowsky's "Marche Slav," the G-Minor symphony by Mozart and two Strauss waltzes make up a program decidedly easy to listen to.
The orchestra is composed of 60 non-professional musicians who perform with zest and a technique that has made this organization an outstanding community enterprise. All the past performances of the orchestra have been eminently enjoyable.

Hen Increases Her Product to Record Size
There's a hen among T. J. Wilson's chickens at 2359 27th street that believes in increasing production for home defense against hunger. But she does not do the obvious—lay more eggs.
Instead, this productive-minded fowl believes in increasing the size of her product. The other day, Wilson, a well-known painting contractor here for 13 years, discovered she had laid a monster egg.
It measured 9 by 7 1/2 inches.

Saturday and Sunday, March 22 and 23, and evening shows on Thursday and Friday, beginning at 7:30 p. m. The Saturday and Sunday evening starting times will also be 7:30 p. m.

Palos Verdes Players Staging "June Moon" at School March 28
"June Moon" to be staged by the Palos Verdes Players at the Malaga Cove School Auditorium in Palos Verdes March 28, is romance and a whole lot more. It is the joint work of Ring Lardner, famous humorist, and George S. Kaufman, equally noted as a humorist and playwright. Together they have concocted a story about a young would-be writer of songs who leaves his happy home in Chilloothe, Texas, for a hectic residence in the Roaring Forties so that he may be the peer to the pulse beat of the song market. He finds his hopes are long aborting while ideals are quickly shattered by the hammer and tongs tactics of a little gold-digger who is industrious if not diplomatic.
"June Moon" is crowded with romance, laughter, wit and humor and wise cracks. Tickets are on sale at the "Coquette Beauty Shop" 2227 Torrance Blvd., or telephone Mrs. H. Linford, 1434 Post ave., Torrance 955.

Thrills Jam "Hell Cats"
Practically every thrill within the experience of American naval aviators is crammed into "Flight Command," new drama of naval aviation and Uncle Sam's "Hell Cats," starring Robert Taylor with Ruth Hussey and Walter Pidgeon, which comes Saturday to the Plaza theatre in Hawthorne. The second feature is "The Invisible Woman."

Following months of authentic technical research, the new picture, filmed with the cooperation of the United States Navy, brings to the screen such aerial adventures as Tom a boomed plane at sea, the crash of a plane in attempting to land with a fog device, Taylor tangling his plane in an aerial sleeve target and maneuvering it from its perilous plight, battle practice at sea, dive-bombing, and other thrills.
Amid the thrills of aviation "Flight Command" tells a romantic story of love, loyalty, and the code of the Navy, with poignant heart-interest moments, comedy, and conflict.
