Indians Score 6th Consecutive Victory Sunday

Making the tally sheet read six in a row, the Indians of Torrance last Sunday beat off the favored Northrup Aircraft nine by a score of 11-1. Ambrose Palica was the young man on the hill that convinced the opposition. He held them off with six hits, well scattered.

The aircrafters got their one and only in the first inning. In the seventh, the Indians garnered three runs and got eight to go with it to make it 11. Eleven Indians batted in the fatal eighth inning.

The Torrance Indians, at the present time, are the hottest club in the section. Beating all opposition put before them the Indians have only allowed nine runs to be tallied against them.

Another Doubleheader The starting of the rampage is considered to have been set off when the new management took over. Under the backing of Cleveland Baseball Company of the American League, Johnny Angel Jr., business manager, and Ray Brown, co-manager with Johnny Rawlings, think that put the spark into their brand of ball. It is hoped by the club officials that the situation will be promoted into one of the best teams in all California.

Next week another double-bill will be staged on the Torrance diamond. The local club will play Pacific Clay Products in the first game starting at 1 o'clock. The second will be played with Chamberlain Pasadena Athletics at 3 o'clock.

Gaucha Jinx Over Tartars Still Holds The years-old jinx that Narbonne high school athletic teams holds over Torrance high sports units continued its grip Tuesday as the Narbonne baseball club defeated the Tartars 7 to 3. The Torrance squad, according to the record books of the 1941 baseball season to date, had turned in much more impressive performances than the Lomitanos but the latter evidently still have the "Indian sign" on all Torrance athletes.

Narbonne got six hits off Fulton and Daniels while Torrance only managed to nick Snyder and Titus of Lomita for four bingles.

Hermosa to Make Fishing Easier

Comfortable stools for fishermen have been suggested as a feature of the remodeling plans for the Hermosa Beach Municipal Pier this year.

The pier itself will undergo repair and the railings will be finished in white or aluminum paint, under plans now being considered by Councilman Dudley Hoffrieter.

Live bait boats, under the direction of Paul Froud and excursion boats are features promised visitors for the coming year.
