**THIS is the house that YOU built.**

**THIS is the man who bought the house that YOU built.**

**THIS is the family who lives with the man who bought the house that YOU built.**

**THESE are the dollars spent in Torrance and vicinity by the family who live in the house that YOU built.**

**And THIS is the man who started it all, who needs the houses to hold the men who work for Uncle Sam's Defense . . . and live in the houses that YOU build.**

## Enlist in the National Defense Housing Project Today!

### AMERICA BENEFITS

... because every dollar you invest with Lincoln Building & Loan Association is matched by TWO DOLLARS of outside capital . . . all to go into the building of homes so vitally needed by national defense workers in Torrance and vicinity. If democracy is to win out, the national defense program must be speeded up! Do your share today!

### TORRANCE and VICINITY BENEFIT

... because new families will settle here, spend their money here, improve all business. In addition, with adequate housing provided for workers, Torrance can expect its rightful share of the new defense industry plants that must be built.

### YOU BENEFIT

... because by bringing new families to Torrance, you, as a business man, increase the demand for the merchandise or service you offer. MOST IMPORTANT, your investment earns MORE for you — currently 3 1/2% interest; safeguarded by Federal insurance up to \$5000; further protected by an even more significant guarantee — sound management by responsible business leaders, and a record of 17 years of uninterrupted dividend payments. When you invest in Federally Insured Lincoln Certificates, you are BUILDING FOR AMERICA NOW — and BUILDING FOR YOUR OWN FUTURE SECURITY!

Act now — use the coupon and mail it today, or call Mr. Bowen, Torrance 215 for complete details — or go to National Defense Housing Headquarters at 1335 Post Avenue.

## Kentucky Derby Favorites Coming to Hollywood Park

C. S. Howard's Porter's Cap, and Woodvale Farm's Our Boots, which ran as favorites in the Kentucky Derby, will invade Hollywood Park for the Summer meeting which starts at the Inglewood Track May 23.

### Three Tartars Dropped from Varsity Team

With two point-winners on the varsity team dropped on account of ineligibility and another out of request, Coach Pete Zamperini this week began concentrating on his Class B and C track teams, leaving the remaining varsity contenders to carry on by themselves.

Parton and Wally Woods were forced off the Class A because of lack of attention to their books. Gerald MacDonald was dropped from the squad because, according to Zamperini, "he was playing around too much and I had to take his suit." The coach also said MacDonald refused to take instruction.

"But we are going ahead with our Bees and Cees and I believe the Cees have the championship about sewed up if they win over Narbonne Friday," Zamperini said. Parton was believed to have stood a good chance to win a place on the Marine League four-man sprint relay team, picked this week, while MacDonald was regarded as a cinch on the four-man two-mile relay squad which is to represent the league at a meet May 24 in the Los Angeles Coliseum.

Tomorrow afternoon Torrance and Narbonne track teams meet at the Lomita school, beginning at 2:30 o'clock. The Marine League preliminaries will be held at Narbonne May 21 with the finals, also at Narbonne, slated for May 29.

Relay Teams Named  
As result of tryouts in San Pedro Tuesday, the following relay teams have been selected to represent the Marine League in the May 24 Coliseum meet:  
Four-man two-mile: Iacono, Mercer and Mechem, all of San Pedro; Nash (T) and Alvarado (N) to decide who makes the team at the Torrance-Narbonne meet Friday.

Four-man mile: Rados (SP), Harper (Ban), Zagala (N), Van Mulligan (N), with either Scott (G) or Brand (SP) as alternate.  
Four-man 440: Bower, Lockett, Kordich and Miller, all of San Pedro, with Stout (ES) as alternate.

Four-man 880: Huff (SP), Stout (ES), Hedges (Ban) Holman (N).  
Eight-man mile: Mathews (Ban), Hoffman (T), Collier (Ban), Ceja (Ban), Lassere (S P), Russell (T), Lawler (G) and Alexander (N) with Huntley (G) as alternate.

These teams will compete against relay squads from all other leagues in the Los Angeles city high school district. At the same meet, Bill Stewart of Torrance and Les Steers of Oregon will compete in the high jump event which may set a new world's record. Johnny Hall of Torrance will also be seen in the mile.

The Race for the Roses—the Kentucky Derby—will be re-run at Hollywood Park this summer. Favorites in the classic event, which was decided recently at Churchill Downs, will shortly begin an unprecedented invasion of the Inglewood plant in quest of the \$25,000 Hollywood Gold Cup and other rich turf features totaling some \$235,000. Racing at the beautiful Inglewood oval starts May 23 and continues for 50 days until July 26.

Greatly anticipated by turf fans, the westward movement of Derby stars will take place immediately after the 3-year-olds fulfill one or two important Eastern engagements.

Leading the parade West will be the Kentucky Derby favorites, Charles S. Howard's Porter's Cap and Woodvale Farm's Our Boots, outstanding 2-year-olds of 1940 and both destined for equally high honors in their division this year. Also due for the Hollywood Gold Cup racing wars are Blue Pair, recently purchased by California sportswoman Mrs. Vera Bragg, and Staretor, Hugh S. Nesbitt's dark horse which performed so surprisingly in the Derby on May 3.

### Jumping Frogs Tuning Up For Annual Festival

ANGEL'S CAMP (U.P.) — California's Jumping Frog Jubilee, one of the nation's unique festivals, will be held in this historic Mother Lode town, May 16-18.

The three-day observance, featured by a frog jump derby, is held annually to commemorate Mark Twain's famous story "The Jumping Frog of Calaveras County," one of the top contributions to the world's store of humorous writing.

More than 15,500 persons annually pack this busy little mountain town which boasts a population of approximately 1800 and rests directly in the center of California's Mother Lode.

### Gauchos Take Gardena Meet

Showing power in all events, Narbonne's track team subdued Gardena's trackers to the tune of 85% to 18% last Friday at the loser's field. The surprise of the meet was Jack Hollar's easy victory in the 180 yard low hurdles in the fast time of 20.65 and Jess Alvarado's 4:41.5 mile which bettered the school record.

First places were completely dominated by Narbonne's squad as well as most seconds with the exception of seven which the Mohicans were able to capture. The individual scoring honors went to Jack Hollar, who walked off with 16 1/2 points and Harry Alvarado who was second with 10 1/2 points. Hollar is now leading scorer of the Marine League.

"Rookies" last week. The oldest, Sergeants Bill Evans, Willard Haslam, and Officers Everett Travioli and George Dolton ran up a total score of 1,189 to 1,139 shot by the "Middle-Agers" composed of Chief John Stroh, Captains Frank Schumacher and Ernest Ashton, Sergeant Percy Bennett and Officer Harry Slover.

## Tartars Romp Over Three-Man Segundo Varsity

If there were any easier track meet set-ups than the one romped thru last Friday at Torrance between El Segundo's varsity and the Torrance Tartars the record books don't reveal them. All but three members of Segundo's Class A team were declared ineligible shortly before the meet and it remained for Joe Simpkins to score the Ollers' only points—five for a first in high jumping. Torrance collected 72 in the competition-less meet.

El Segundo's Class B squad gave the Tartar Bees closer opposition but Torrance won that meet 47 to 37 and also took the Class C events 69 1/2 to 7 1/2.

Lack of attention to school books also knocked out two of Torrance's varsity team members—Bill Parton and Wally Woods—and it is reported that Gerald MacDonald will have to bear down on his studies considerably if he expects to remain on the squad. Summaries of the El Segundo meets:
