

16 Semi-Pro Clubs Ready for Torrance Tourney Games

ANGLING LICENSES
Angling license sales for the first five months of this year show an increase of over \$40,000 as compared with sales of 1940 for the same period.

Production of the nation's oil refineries has increased 60 percent in the last 10 years.

DEER TAGS ON SALE
Deer season opens August 1 in Districts 1, 7, 8, 2, 2 1/2, 2 1/2, 2 3/4 and 3. Deer tags and hunting licenses for the 1941 hunting season are now on sale. Early reports show an abundance of deer and in excellent condition, due to the abundant feed and good water conditions of this year.

SERIES OPENS SATURDAY AND CONTINUES THROUGH AUGUST 3

Baseball blitzkrieg begins next Saturday afternoon, July 12, when 16 outstanding semi-pro clubs start the fifth annual California State Tournament at the Torrance city park diamond. Games will be played every night and Saturday and Sunday afternoons until August 3 when the winner is to be given the National Semi-Pro Congress trophy, a \$500 cash award and the other club competing in the series, three to be held in Torrance, are: Walker Roofing of Los Angeles, Vulture Aircraft Vultarians from Downey, Lockheed Aircrafters of Burbank, Northrup Bombers and North American Aircrafters of Inglewood, Long Beach Elbees, Long Beach Ramblers, Wilmington Merchants, Pepsi Cola of Los Angeles, Fort MacArthur Reception Center, Kelmana Electric of Los Angeles, El Segundo Merchants, National Youth Administration from Atascadero and the Torrance Indians.

Last year's semi-pro tourney was won by the Bank of America but Lockheed Aircraft represented California in the national congress games when the Bankers were unable to make the trip to Wichita. The 1939 California state champions were the Shell Refiners who placed sixth in the national tourney. The Torrance games will start Saturday, July 12, 2 p. m.—San Pedro Cannery Workers vs. Calor Food Centers; at 8 p. m.—Long Beach Elbees vs. Wilmington Merchants. Sunday, July 13, 2 p. m.—Fort MacArthur Reception Center vs. Long Beach Ramblers; at 8 p. m.—Torrance Indians vs. Pepsi Cola. Monday, July 14, 8 p. m.—El Segundo Merchants vs. Kelmana Electric. Tuesday, July 15, 8 p. m.—Lockheed Aircraft vs. North American Aircraft. Wednesday, July 16, 8 p. m.—Vulture Aircrafters vs. Northrup Bombers. Thursday, July 17, 8 p. m.—Atascadero N. Y. A. vs. Walker Roofing.

Torrance Bowlers Shine in Mid-State Tourney at Bakersfield

If prize money is a criterion of good bowling, the six men who represented the Torrance Chamber of Commerce and the Torrance Bowling Academy at the Mid-State Bowling Tournament held in Bakersfield recently, are topflight keepers. Shooting competition against the state's best bowlers, the Torrance squad, composed of Ed Schwartz, Lou Deinger, L. Sommers, Sr., Del Cota, Dewey Godard and Tommy McNeil, came home with \$133 in prize money.

Sommers, Schwartz and Deinger drew down cash for their singles scores; Sommers hit the tournament cash drawer for the all events and two doubles teams. L. Sommers-Cota and Schwartz-McNeil earned checks in the two-man division.

The Torrance bowlers deserve a world of praise for their fine showing when it is remembered that they rolled in competition against 328 teams, 473 doubles and 929 singles.

Walteria Scouts Map Activities

With first aid and camping forming the main part of the program, ambitious activities list for the first Walteria Boy Scout troop in recent years has been outlined by Scoutmaster Joel Hagberg. Sponsor of the troop is the Walteria Civic Organization. Prior to organization of the community troop, Walteria Scouts were grouped with the Lomita troop.

TORRANCE INSTRUCTOR PLANS RUN-WALK TO SAN DIEGO

When it comes to vacation plans, Jack Powell, playground director at Torrance Elementary school doesn't want anything easy. He's got his holiday all mapped out and it includes a running-walking trip from the Los Angeles city hall to the San Diego municipal building, starting August 8.

Powell will attempt to establish a record in that 124-mile jaunt because he plans to make it under Amateur Athletic Union conditions and rules. Such an endurance feat has never been attempted successfully before, he said yesterday.

Followed by a car containing accredited A. A. U. observers, the physical education instructor wants to average 50 miles a day in order to complete the fast hike in two and one-half days.

Coached by Veteran Powell is no amateur in cross-country racing. After running the two-mile and cross-country for Occidental College, he became a member of the Southern California Athletic Club and while competing under that group's emblem was a place winner in the 3,000-meter walk in the American Olympics and U. S. National Championships last year. He also ran in the Southern California championship marathon event.

The local instructor who has been conducting physical education classes at Torrance Evening school for several years, is being coached by A. L. Monteverde, one of the greats in marathon running. Monteverde still holds the transcontinental New York to San Francisco record of 79 days.

Sea Scouts Plan Balboa Cruise

Roy Winters, sea scoutmaster, is planning a cruise to Balboa for the newly-formed Sea Scout Ship sponsored by St. Andrew's Episcopal church. He said the ship unit is now promoting use of a boat for the cruise which will be in preparation for longer coastwise cruises by the boys.

The Sea Scouts hope to start work soon on a 20-foot sailing craft at the rear of the church. In connection with the boat-building project, Winters recalled that when he was a boy he and four other youngsters by working from dawn to dusk, constructed a 20-foot craft in 10 days at a total cost of \$4. They used river drift wood.

Charter membership in the Sea Scout Ship here will be limited to 16 boys, but a total of 50 later will be enrolled, according to Winters' plan.

Motorcycle Races in Gardena Scheduled

Hailed as a district-wide event, a tourist trophy motorcycle race will be staged in Gardena, Sunday, July 20. Champion "bike" riders will compete on the specially constructed track at 168th and Vermont ave. It was announced, sponsored by the large Fort-Five Motorcycle Club, and sanctioned by the American Motorcycle Association, the program's anticipated profits will help complete the half finished pistol and shooting range in Gardena. Spectators will be able to see the entire race from their cars; it was stated. Action will start at 2:30 o'clock.

Barrington Horses Reported Victims of Mysterious Illness

The mysterious illness of two saddle horses owned by Mr. and Mrs. H. C. Barrington is causing considerable comment among friends of the well-known family.

What puzzles the Barringtons is that four other horses, owned by other local riders, have been fed the same food and are thriving on it, whereas both Barrington horses have become so ill that it has been necessary to place them in a veterinary hospital.

Shacks Near Park To Be Investigated

Declaring that the "shacks on Cabrillo ave. south of Santa Fe ave. are eyesores and a detriment to the nearby municipal park," C. A. Benzel of 2815 Andrews ave. wrote the city council Tuesday night that they should be cleaned up. He said the buildings were abandoned and partly torn away. City Engineer Glenn Jain was instructed to investigate and report to the council at the next session.

New Record of Growth Shown In Bank of America Midyear Report

Defense Effort Promoted While Business Served

Another period of outstanding progress is revealed in the mid-year statement of condition of Bank of America, California's statewide bank, as of June 30, 1941. President L. M. Glanville pointed out that the record was achieved in the face of the new problems and substantially increased expenses due to the provision of extra staff and facilities to promote the defense effort, as well as rising costs generally and increased taxes.

Deposits stood at \$1,685,488,000, an increase of \$189,466,000 over the comparable date of June 29, 1940. Total resources were \$1,877,738,674.63, a gain of \$201,097,000 in the same period.

Loans and discounts outstanding aggregated \$844,466,563.53, which is \$119,891,000 higher than a year ago.

Earnings for the six months were \$14,067,000. From this \$2,246,000 was reserved for depreciation of bank premises and amortization of bond premiums and \$2,726,000 was set up in reserves and applied to the absorption of losses and the revaluation of assets. After the payment of \$5,340,000 in dividends at the annual rate of \$2.40 per share of the common stock and \$2.00 per share on the preferred stock and after \$348,000 in profit sharing bonus to employees, capital funds were increased from earnings in the six months by \$3,406,000.

Capital funds including capital surplus, undivided profits and reserves now total \$156,743,872.70, which compares with \$152,206,000 on June 29, 1940, an increase of \$4,537,000 for the year, after the application of \$3,000,000 of capital funds for the purchase and retirement of 60,000 shares of preferred stock on January 2, 1941.

President Glanville pointed out that the Articles of Association which created the preferred stock provided for the increase of common capital by amounts equivalent to the par value of preferred stock retirements. Under this provision, \$1,200,000, representing the par value of the preferred stock so far retired, has been set aside for future use either for an increase in the common stock or an increase in the par value of existing shares.

"This report is particularly gratifying," said President Glanville by way of comment, "because in the period covered California has been geared up to do a major job in defense production and our first thought has been to cooperate. Full facilities of the Bank of America have been made available for the defense effort, without overlooking the requirements of all other business. This has required increased staff and expanded facilities wherever it was possible to meet the needs.

"Strenuous times are here because of the preparedness effort, and more readjustments in our economy lie before us, but private enterprise remains a very important factor in the American scene and is in fact an essential in the cooperative effort necessary to generate America's full power."
