"FOR KEEPS" . . . From tonight on out, the boys won't be playing just for the pure sport of it . . . they'll be in there seeking . . . and we hope they'll confine it to the ball!

OUT FRIDAY . . . Loser of the Pepsi Cola-Calor Foods tilt Friday night will be washed out of the Tourney, both having lost one game so far.

COLORFUL . . . In addition to sporting the classiest uniforms of any club in the series, the N.Y.A. outfit from Atascadero proved it had a lot of color—and we don't mean Robinson and Ritchey. There's a big difference of opinion as to the brand of ball Atascadero players in their debut last Thursday night. But anyone who has attended most of the games so far will tell you that the N.Y.A.'s are a lot of action and showmanship in their game with the Walker Roofers.

TIRE SOME . . . Some of the contests last weekend were awfully dull—but perhaps the boys just had an off day or night. Lou Briganti, Indian outfielder, added the only home run to Saturday and Sunday games when he socked out a homer in the last half of the ninth of the game with Long Beach Ramblers. Lou's blow was a Dick Merrifield finish that redeemed four games of dull baseball.

BIG BOY . . . Robert Houston, Lockwood's six-foot four-inch more pitcher, is the biggest thing in the tourney. Weighing 230 pounds, he gave a good account of himself Sunday night when he hit the Kelman Electric down with six scattered hits while his Aircrafters knocked out 15.

TWO INJURIES . . . Al Tapie, Walker Roofers catcher, broke his thumb in the second frame of the Atascadero N. Y. A. game last Thursday night while catching one of Al De Hoag's last ones. . . Jess Cox had to retire from the mound in the Lockheed-Kelman game on Sunday night when he ripped a fingernail off while attempting an assist for his Kelman second-sacker.

IDENTIFIED . . . Contrary to Roy Willis' oft-repeated announcement that the American Legionnaires of the tourney and not the Sons of the American Legion are operating the "Kitchen" where succulent hot-dogs and hamburgers and scalding hot coffee are served for modest fees.

POOCH . . . The inevitable dog made his appearance last Saturday on the diamond and was chased off bewildered by the whistles and entreaties that had him all balled up for a while.

NO LIQUOR . . . Those signs banning intoxicants in the stands mean just what they say—as a quartet found out last Sunday afternoon when two men and two women were ejected by Officer Tom Perkin. The renegade combination defied the evidence—a bottle

Torrance Indians Still in Quest for Semi-Pro State Championship

Now in the second half of the 30 or 31-game series, the California State Semi-Pro Baseball Tournament at Torrance city park has whittled down the contenders for the 1941 championship to 12 clubs, four of whom are still undefeated. The Torrance Indians are in the "clean slate" bracket and they get their next

game Saturday night, July 26, against the undefeated Long Beach Ellbees.

Four teams have been eliminated from the tourney which is scheduled to end August 3. The third round of the series is now under way. The Torrance Indians are in the "clean slate" bracket and they get their next game Saturday night, July 26, against the undefeated Long Beach Ellbees.

In addition to the home-town Indians, the undefeated teams include Long Beach Ellbees, Lockheed Aircraft and Atascadero N. Y. A., winner over Northrup Bombers Tuesday night by a score of 8 to 6.

Schedule Announced
Other teams in the race are Wilmington Merchants, Long Beach Ramblers, El Segundo, Kelman Electric, Vultee Vulturnians, Walker Roofers, Northrup Bombers and Atascadero N.Y.A.

Attendance at the games has far exceeded that at the 1939 and 1940 tournaments here and all indications point to continued record-breaking crowds thru the remainder of the five-round schedule.

Tuesday night's feature tilt between Atascadero N. Y. A. and Northrup Bombers drew a record mid-series crowd of nearly 2,500 excited fans. The game marked the half-way point in the tourney and the result indicated that the Atascaderoans are making a strong bid to win the championship.

Dale Riley, state commissioner in charge of the series, today announced the following schedule to and including Monday night, July 28:

Friday night, July 25, 8 p.m.—Wilmington Merchants vs. El Segundo, the loser to be eliminated.

Saturday night, July 26, 8 p.m.—Torrance Indians vs. Long Beach Ellbees. There will be no game Saturday afternoon.

Sunday afternoon, July 27, 2 p.m.—Long Beach Ramblers vs. Northrup Bombers.

Sunday night, July 27, 8 p.m.—Lockheed Aircraft vs. Atascadero N. Y. A.

Monday night, July 28, 8 p.m.—Kelman Electric vs. losers of the Wilmington Merchants—El Segundo game of July 25.

Thumb-nail reports on the second round games follow:

THRILLER-DILER . . . While barely 2,500 fans yelled them-

selfs hoarse, Atascadero N.Y.A.'s hard-slugging, fast-moving crew knocked Northrup Bombers out of the chance for the state title by a score of 8 to 6 Tuesday night. Jackie Robinson, ex-U. C. L. A. grip star, tripled and went home to score on a mixup at third in the seventh frame to start the N. Y. A. rally that evoked the score. Then Jess Hill tripled in the eighth to score Robinson and Ritchey and put the game on ice. Walt Schaffer held the Bombers to six hits while N.Y.A. collected 13 singles off three Bomber pitchers.

NO JOB PROBLEM

Unemployment is not a serious problem in the Canal Zone, according to the census bureau. Of the 23,783 persons 10 years of age and older living outside the several military and naval reservations, only 690—not quite 3 per cent—were seeking work on April 1, 1940 and of these, only 258 had had previous employment amounting to a month or more.
