

Motorists Better "Bone Up" on New State Driving Regulations

SACRAMENTO (UP) — California's approximately 4,000,000 motorists are faced with the task of familiarizing themselves with numerous changes in driving regulations between now and Sept. 15, when motor vehicle bills passed by the legislature and approved by Gov. Culbert Olson become effective.

James M. Carter, State director of motor vehicles, announced code changes now are being checked for delivery to the printers and new printed codes will be available about Nov. 1. Here are some of the outstanding code changes:

If you drive faster than 55 miles an hour it is "prima facie" evidence you are violating the law. The maximum under the old law was 45 miles per hour. If the department of public works determines that 55 miles per hour is too fast on any portion of a state highway it can establish lesser speed limits for a distance not exceeding 1,500 feet between business or residence districts or 1,000 feet at the end of such district.

May Lower Plates

Local authorities may do the same for roads under their jurisdiction. The department of public works also can establish limits of 35 to 45 miles per hour in zones otherwise subject to a 25-mile maximum by posting proper signs.

If traffic officers see any fence along the highway that has been damaged by a traffic accident they will be required to notify the owner or lessee.

Because cars are now built lower, license plates may be placed a minimum of 13 inches from the ground instead of 16.

People who wreck or dismantle automobiles must obtain a license and keep a complete record of all cars wrecked which record shall be open to peace officers.

Don't Throw Anything

Physicians responding to emergency calls may disregard speed regulations if they exhibit the insignia of a licensed physician on their cars.

Willful indifference or reckless disregard for the safety of others must be established before any person may be convicted of negligent homicide.

Cars towing trailers or other vehicles must stay 300 feet behind the next vehicle ahead unless overtaking and passing.

It will be a felony to throw "maliciously or wilfully" any brick, rock or other missile or to discharge a firearm at a vehicle with intent to do great bodily harm.

Three Times and Out

Members of the California highway patrol are given authority to transport injured persons to hospitals without assuming personal liability. Stretchers may be carried in patrol cars.

Dealers may not sell used cars for operation unless lights and brakes have been tested and adjusted if necessary. No vehicle or combination of vehicles may be operated if in an unsafe condition or not safely loaded.

Any person convicted of driving while intoxicated three times after December 31st, next, will lose his driver's license and may not obtain a renewal.

It will be a misdemeanor to operate a vehicle under the influence of certain drugs other than narcotics, including marijuana and others that are sedative or hypnotic in their effect.

Sale Releases Liability

When a motorist loses one or both of his plates an entirely new duplicate set may be issued to him for \$1 instead of the old fee of \$2.

When a man sells his car to another he is released from liability for negligence when the sale has been completed and the car delivered.

Legal owners of vehicles will be notified annually when the registered owners have registered their vehicles.

Investigators employed by the patrol will have the same status as patrolmen.

New Leader

Colonel Edwin B. Lyon has been promoted to brigadier general, making him commander of the West Coast Air Corps Training Center at Moffett Field.

Citizens' Caucus Picks Evans, Paour To Run September 10

(Continued from Page 1-A)

attached. I will make no promises to anyone, and I intend to investigate conditions before making any changes. I will promise no jobs and will go into office independent."

Paour, who was chosen for the short term, was not present, but H. C. (Jack) Barrington spoke in his behalf. Frank Paour, Barrington said, has been a resident of Torrance for 25 years, attending school here; he has been successful in one of the hardest businesses to succeed in, that of life insurance; he is honest, aggressive, and fair minded. Labor will have no trouble getting along with him, Barrington pointed out.

Will File Petitions

Dr. C. L. Ingold, who seconded Paour's nomination, also spoke in his behalf, stating that he believed Paour had no axe to grind and would have no interest in the office other than to serve the best interests of the city.

Pat MacDonnell, who was nominated and later withdrew in favor of Paour, stated that he was not so much interested in running for office as he was in the welfare of Torrance. He reviewed his eight years' fight to rid the Alondra Park district, which includes North Torrance and other portions of Gardena Valley of the burdensome Mattoon Act blight. As the result of the effort initiated and carried thru by MacDonnell, the entire city of Torrance and other areas adjacent, comprising 10,000 acres, are now relieved, or will be shortly, of Mattoon Act bonds. Eighty percent of this area, MacDonnell said, is virgin territory now released for development through the National Defense program. It will soon be able to qualify for F.H.A. loans, he said.

MacDonnell is a resident of North Torrance and secretary of the Gardena Valley chamber of commerce. Both Evans and Paour have signified their intention of filing nomination papers for the councilmanic positions.

Navy Mothers Now Complete Organization

With 22 names on the charter, the Little Ships Navy Mothers' Club is making all preparations for the complete formation of their club.

At the meeting Monday night at the home of Mrs. Sarah Rowell in Torrance, election of the permanent staff of officers was completed. Mrs. Max Long was retained as commander; Mrs. Bessie O'Harrow of Harbor City was named adjutant, and Mrs. H. M. Slover was elected finance officer.

Other officers chosen were Mrs. Irene Smith, Torrance, first vice-commander; Mrs. Forrest Adcock, Harbor City, second vice-commander; Mrs. Sarah Newkemper, Redondo Beach, chaplain; Mrs. Frances Forrest, judge advocate; Mrs. Sarah Rowell and Mrs. Mary Schroeder of Torrance, matrons at arms, and Mrs. Vera Paige and Mrs. Ada Andersen of Lomita, color bearers.

"Adopt" Brothers in Navy Through the generosity of friends, equipment is being donated. The American flag is a gift of Mrs. Jos. Bader; the Bible, the gift of the Pacific Lodge of Danish Brotherhood; the standards have been donated by Lomita Branch, Fleet Reserve and the gavel by the San Pedro branch, Fleet Reserve. Members of the club will make the Navy Mothers' flag.

It was decided to adopt two motherless brothers who are serving in the Navy that they might receive little gifts and cards as well as the fortunate boys with mothers.

The club will meet August 28 at 2 p.m. at the home of Mrs. Hattie Radford, on Ocean near Main st. Natural mothers and mothers by action of law (adoption) are eligible to belong if they have a son or daughter in service in the Navy, Marine or Coast Guard service.

Following the meeting Monday night, Mrs. Rowell served refreshments while the members enjoyed a social hour to get better acquainted. Members are from Wilmington, Harbor City, Keystone, Waverly, Lomita, Torrance and the Redondo Beach area.

City Will Elect Powell and Murray's Successors Sept. 10.

(Continued on Page 3-A)

of the regulations of the secret ballot.

The resolution certifying the result of the vote and the recall of Powell and Murray was adopted on Murray's motion, seconded by Babcock and unanimously approved. There was a scattered applause from the audience as the two recallers stepped down from the council bench and took seats in the front row of the spectator section.

Powell's successor to be elected September 10 will serve until April 1944 while Murray's successor will hold the office only until April 1942. Powell, who was elected to the council April 14, 1938 and re-elected April 9, 1940, was head of the Police and Fire committee and a member of the Recreation and Ordinance committees of the city council. Murray, who became councilman as result of the April 12, 1938 election, was chairman of the Recreation committee and member of the Ordinance and Streets, Sewers and Parks committees.

Dr. Katherine F. Slekmann has been attending sessions of the National Chiropractors convention at Los Angeles this week.

Mr. and Mrs. J. Hugh Sherley, Jr., and sons John and Charles are vacationing at Crestline this week.

The A. C. Turner family of 1008 Acacia ave., with the J. J. Millards are representing Fern avenue P. T. A. this week at Camp Radford, P. T. A. vacation center at Seven Oaks in the San Bernardino mountains.

Mr. and Mrs. Tom Russell have moved to their new home at 1319 Cedar ave.

People who boast they can stop a car on a dime frequently are the kind who will never have enough brains to earn one.

Recreation Center on Carson Street Closed

Dale Riley, city recreation director, announced Tuesday that the Carson street recreation center has been temporarily closed. He invited all youngsters who have been attending that craft work center to transfer to the Arlington avenue center across from the city park where the same work is being offered.
