"Have we not all one father? hath not one God, created us?" These words from Malachi are the Golden Text in the Lesson-Sermon on "Man" on Sunday in all Churches of Christ, Scientist. The Lesson-Sermon includes these passages from Genesis: "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. God revealed man in his own image, in the image of God created he him." Paul's words from Acts also are presented: "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; Neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life and breath, and all things;... For in him we live, and move, and have our being." Among the selections from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, are the statements: "The Scriptures inform us that man is made in the image and likeness of God. . . . Man is spiritual and perfect, and because he is spiritual and perfect, he must be so understood in Christian Science." "Man, in the likeness of his Maker, reflects the central light of being; the invisible God."
