CHRISTIAN SCIENCE CHURCHES

In all Churches of Christ, Scientist, on Sunday, the subject will be "God the Only Cause and Creator." The Golden Text is from the Acts: "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is." The Lesson-Sermon speaks of the healing by Paul of a man, crippled from birth, who could not walk. This man heard Paul speak as it says in Acts, and Paul "steadfastly beholding him, and perceiving that he had faith to be healed, said with a loud voice, Stand up right, and walk." An excerpt from Psalms is also included in the sermon passages: "The LORD upholdeth all that fall, and raiseth up all those that be bowed down."

Correlative statements from the pen of Mary Baker Eddy, as set forth in the Christian Science text book, "Science and Health with Key to the Scriptures," are as follows: "It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony." "When the first symptoms of disease appear, disperse the testimony of the material senses with divine Science." "Suffer no claim of sin or of sickness to grow upon the thought. Dismiss it with an abiding conviction that it is illegitimate, because you know that God is more the author of sickness than He is of sin."
