**Peach Cheese Salad**  
Broadcast June 11

1 package instant-flavored gelatin  
1 cup boiling water  
2 1/4 cups grated American cheese or 1 1/2 lbs. sliced packaged variety  
1/4 cup Pet Milk  
1/2 cup bottled mayonnaise or salad dressing  
3 tablespoons vinegar  
1/4 teaspoon salt  
No. 2 can sliced peaches

Dissolve gelatin in boiling water. Let stand while preparing the following mixture: Mix together cheese and milk. Cook over boiling water until cheese melts and mixture is smooth, stirring constantly. Remove from heat and stir in the gelatin mixture gradually. Let stand. Put mayonnaise in bowl. Add vinegar and salt and mix thoroughly. Stir into gelatin mixture. Chill until mixture begins to thicken. Meanwhile, drain peaches well. Save juice to use in beverages or sauces. Rub with salad oil a mold holding about 4 cups. Arrange 1/4 cup peaches in bottom of mold. Cut remaining peaches into small pieces. Fold cut peaches into chilled gelatin mixture. Put into prepared mold. Chill until firm. Unmold and serve on lettuce or other salad greens, if desired. Serves 6.
