Tragic Tale of the War-Time Plight of Bomber "Mary Ann"

The life story of a Flying Fortress is the theme of the new Warner Bros. film, "Air Force," which opens at the Plaza theater in Hawthorne Saturday.

Produced with the cooperation of the United States government, the story is concerned with the trials and tribulations of one "Mary Ann," a B-17, caught "unprepared above the embattled waters of the South Pacific during the treacherous attack on that fateful December 7.

Starting when the "Mary Ann" and its crew of nine leave on a peace-time mission to Honolulu, the story is told of the emergency landing when the crew learns of the attack on Pearl Harbor. With their destination Wake Island, they arrive there only to learn that they must take off at once for Manila. Encountering difficulties on the way they make a hazardous landing at Clark Field where they are attacked while loading ammunition. It is the battle of the Coral sea that is responsible for the end of the "Mary Ann," but not until she is safely landed on Australian territory.

Except for a couple of incidental roles, the cast of "Air Force" is composed of the bomber's crew, featuring John Garfield, Gig Young, Harry Carey, George Tobias, Arthur Kennedy, James Brown, John Ridgely, Ray Montgomery and Ward Wood.

Ladd, Bendix, L. Young in "China" at Lomita

The flaming blend of war and wanton destruction that has marked the onward rush of Nippon's little demons inspired the exciting battle drama that opened last night at the Lomita theater, Paramount's potent and heroically filmed "China."

Starring Alan Ladd and Loretta Young and directed by John Farrow, the man who gave us the epic "Wake Island" and the stirring "The Commandos Strike at Dawn," this latest picture of our times is a thrilling and heady cocktail of romance, fighting and high adventure. It's mighty strong medicine. When the planes roar overhead in the picture, bombing and gunning innocent women and children and wrecking a peaceful village... well, you can get mad with out counting to ten and there'll be no blame from anybody this side of Tokyo.
