... some things we advertised last week sold out before this paper got around much... but some things nobody wanted... so they are still here... plus some more. Don't get discouraged if we are "sorry" just sold that one! We buy every day—when we can—so we don't have any standard stock. We have a swell Northern Maple Dwan Set and matching Table, nice and cool looking; a Hollywood Wakefield Baby Crib; an old Flax First Two Combination Radios—not cheap, but good; one Portable 2-way, 2 high... but so hard to get. I can steal our stuff if you give us some \$ plus some trade.
