## FIRST CHURCH OF CHRIST, SCIENTIST

"By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth," sang the Psalmist as given in a Lesson-Sermon citation. The passage continues: "He gathereth the waters of the sea together as in a heap; he layeth up the depth in storehouses. Let all the earth fear the Lord; let all the inhabitants of the earth be in awe of him. He spake, and it was done; he commanded, and it stood fast."

## CHRISTIAN SCIENCE CHURCHES

Paul's declaration to the Corinthians, "The earth is the Lord's, and the fulness thereof," will be the Golden Text in the Sunday Lesson-Sermon on "Substance" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

"By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth," sang the Psalmist as given in a Lesson-Sermon citation. The passage continues: "He gathereth the waters of the sea together as in a heap; he layeth up the depth in storehouses. Let all the earth fear the Lord; let all the inhabitants of the earth be in awe of him. He spake, and it was done; he commanded, and it stood fast."

On this subject Mary Baker Eddy says in the Christian Science Text: "The substance is that which is eternal and incapable of discord and decay. Truth, Life, and Love are substance, as the Scriptures in Hebrew and in English; 'The substance of things hoped for, the evidence of things not seen.' Spirit, the synonym of Mind, Soul, or God, is the only real substance."

## Dr. Householder Guest Evangelist At Tent Meetings Opening Sunday

With the erection of the tabernacle-tent Wednesday morning at the location of Cabrillo ave. and Sartori in the heart of downtown Torrance, preparations were being completed for the union tent meetings sponsored by seven churches of the Torrance Ministerial Union.

The evangelistic services begin next Sunday night and will continue for two weeks, Sept. 12 to 26, inclusive, with the exception that there will be no Saturday night services. Dr. Don H. Householder of the Trinity Methodist church, Los Angeles, is the guest evangelist. Dr. Householder is known throughout the Southland as an outstanding pastor, evangelist and Bible teacher. He is a young man with a message that will appeal to both young and old.

Merle Hancock will direct the music during the tent meetings. Not only is Mr. Hancock a dynamic leader of song, but he is a gifted soloist. He is widely known in youth circles for his inspirational leadership. Two pianos will be used during the services. A union choir is anticipated for each of the evening services.

This evening, Thursday, Sept. 9 at 7:30, seven union cottage prayer meetings will be held in various homes throughout Torrance. Other union meetings with the officers, women and youth of the churches are being planned.

Local churches are dismissing their Sunday evening services so that they might cooperate closely during the entire meetings.

## HIGH EXPLOSIVE BONDS FOR TOJO!

War Bonds financed the victories at Midway and the Coral Sea. War Bonds will finance the final destruction of Tojo's vaunted fleet.

Six hundred heavy bombers can be built for the 300 million dollars in War Bonds which the men and women of Bank of America have pledged to sell over a six months' period. That's enough bombers to make things mighty hot for the Sons of Heaven.

Remember, the sale of War Bonds is vital! War Bonds are not only the best investment you can make—an investment which pays good interest—but they are as essential as anything in your personal budget. So after you have set aside the amount you need for essentials, invest the rest in War Bonds.

When you buy a War Bond at Bank of America you receive the badge of the Bond-barriers.
