Athenians Map Activities at Torrance High

During a meeting held in the conference room at Torrance High school last Tuesday, Feb. 29, members of the Scholarship society voted "The Athenians" as the official title of the organization hereafter.
 With Doreen Livermore, president, presiding, the Athenians mapped plans for general service in the school as well as leadership. Addressing servicemen's envelopes for correspondence between school and alumni in uniform will be just one of the duties that Athenians will be responsible for in the future. Scholarship pins for members were also discussed along with a schedule for future meetings.
 In election of officers at a previous meeting Norma Levy was chosen vice president; Elsa Stanley secretary and treasurer and Jean Lancaster reporter.

Torrance Young Man Injured in Action

William R. Malin, seaman 1/c, serving in the South Pacific area, has been reported injured in action as of Nov. 1, according to his mother, Mrs. William F. Malin, 1870 Plaza del Amo. Letters written by her son, dated Nov. 23 and Jan. 6, made no mention of his injury. Since receiving the message from the U. S. Navy Department his mother has sent a telegram of inquiry to the young sailor asking him to reveal more particulars. She believes, however, that since occasional letters have been coming that he has not been seriously hurt.

REPORTS STOLEN CAR
 George F. Berry, 1055 Magnolia ave., Long Beach, reported to the Torrance police Tuesday night that his car, parked near the Grand Theatre, had been stolen while he was attending the show.
