

CAN BE TOLD!

**AS TORRANCE IS HELPING TO WIN
THE WAR WITH THE PRODUCTION OF
SYNTHETIC RUBBER---SO IS---**

DOAK AIRCRAFT CO.

Around the Globe . . . wherever the enemies of America and her way of life are found . . . vital Doak-Made Products and Parts enable our airplanes to fly further, faster and higher.

Precision work, to a standard over and above government specifications in which each and every one of us takes a deep personal pride . . . has won for us a reputation we will never relinquish.

It is this standard of production, pride of work and know-how that will enable Doak Aircraft Company to convert to the production of things America will want after the victory has been won.

**WILL GROW AS A MAJOR POST-
WAR INDUSTRIAL CITY - - - IN WHICH DOAK
AIRCRAFT CO. WILL PLAY AN IMPORTANT
ROLE. PLANS ARE NOW BEING MADE!**

War Industrial City . . . while now busy and active in the production of aircraft parts . . . it is destined in the future peace to rival its present and so it is with Doak Aircraft Company. Today our plans for the future production . . . for in the production of aircraft parts, we are perfecting better ways of manufacturing . . . principles and methods for the production of peacetime products to make them better than ever before at lower cost.
