Lee Presented Citation for Successful War Bond Campaign

A citation for "Distinguished Services" as chairman of the Torrance War Bond committee was presented to Hillman R. Lee last Thursday by Paul Grannis, district manager of the War Finance Committee for Los Angeles county. The presentation was made at the meeting of the Torrance Rotary club, which was attended by over 100 Torrance and Hawthorne Rotarians and guests.

R. Lee, who was awarded "Distinguished Service" certificate by Treasury Department for leadership of War Bond Drive.

In his remarks, District Manager Grannis explained that he was appearing on behalf of the Treasury Department "to thank all of you good people of Torrance, your War Finance Committee and your very able chairman, Mr. Hillman Lee, for the outstanding and conspicuous results you achieved in the Fourth War Loan drive. We assigned a quota of \$650,000 to Torrance, and your sales were \$1,156,545. 'Grand Performance'.

"This was a grand performance and your cooperation is very much appreciated. Results of this kind do not just happen. You can be very proud of the record of Torrance."

"I think it should be a matter of great satisfaction to you all to know something about how this war program is being financed. At the outset the Treasury Department wisely took the position of an issuing agent and turned over the job of merchandising this stupendous amount of war bonds to the American people. The results are well known to you. In Washington, our national director, Mr. Ted Gamble, devoting his full time, receives \$100 per year. This same situation prevails in all of the 48 states of the union, where state war finance chairmen with meager staffs are putting over the greatest selling job the world has ever known. When victory is won, one of the bright pages of history will be concerning the able and patriotic financing of the war."

"In every community in which I travel the chairman of the War Finance committee has won my admiration for his unselfish and patriotic efforts. In almost every case he is the busiest man in town, is serving usually on other committees; sometimes he is on the ration board and the draft board—and I often wonder how he can find time for the very important job of making a living for himself and his family. Nevertheless, they carry on and they are grand gentlemen and good Americans."

"It is a privilege and a pleasure to present this special citation which we have received from Washington to your chairman, Mr. Hillman R. Lee. The citation calls for Distinguished Services, and I know that you will all agree with me that in Mr. Lee's case he has really won this honor. We are proud of you, Mr. Lee, and we know that all Torrance shares our feeling."

LIEUT. NOW... Robert E. (Bob) Jones, son of Mr. and Mrs. Floyd Jones of Rolling Hills, recently received his wings at Luke Field, Ariz. Following a 15-day furlough here, he left for Harding Field, Baton Rouge, Louisiana.

Use of Playground Centers Urged For Summer Safety

"Make use of Southland playgrounds and supervised play facilities as well as recreational hobby classes this summer. That's the war-time advice to Southern California children and parents offered by the public safety department of the Automobile Club of Southern California."

Parents mentally at ease, knowing where and how their children are playing, will achieve greater efficiency in making essential war contributions during summer months, it is pointed out.

Scores of posters and other safety education material recently distributed throughout Southern California schools by the Automobile Club will serve to impress the importance of this program upon Southland children.

Mrs. Smith received her guests in a green afternoon dress complemented by a corsage of gardenias and assisting her was another daughter, Mrs. Fred Smith. An arrangement of sweet peas centered the lace covered tea table, where an elaborately decorated cake was cut. The honoree, with her sister, the former Marcelle Smith, left the next day for Santa Maria, where they visited with their brother-in-law and sister, Mr. and Mrs. W. R. Edwards.
