

### Northrop Air Tops Softball League Play

Northrop Airmen stood on top of the Torrance Industrial Soft Ball league, with Doak and American Barbers tied for second after a pair of sensational wins Monday night in Torrance ball park.

Doak took the 37th brigade 6 to 5 in a thrilling 12-inning game, and American Barbers won from Columbia Steel, holding the steel men at the bottom of the league with a 6 to 4 score in an eight-inning game.

Northrop clinched its position by beating Doak on May 17, in a 4 to 0 win.

At the same time, National Supply turned in its first win, over Columbia Steel, 6 to 4. American Barbers took Dow Chemical on May 18, 4 to 1.

### National Supply Offers Employees Training Course

Through the combined efforts of Hugo Miller, chief inspector at National Supply Company, and Professor Thomas A. Watson, Supervisor of the Tool Engineering Department affiliated with the Engineering, Science and Management Program, War Training Division of the University of California, the National Supply Company has opened an elementary course in machine parts and process inspection covering all types of parts used in aircraft and oil tool products.

To assist in the correct reading and interpretation of shop blueprint and engineering information.

### TORRANCE POST WAR PLANNING GROUP MEETS

Torrance Post War Planning Commission, meeting in the Chamber of Commerce office last Thursday night, held a more or less routine meeting, leading toward a program which will be announced soon, according to B. C. Buxton, chairman.

## Becker Will Try Another Suit to Gain School Job

The district court of appeals, by Attorney Clifton A. Hix of San Pedro, denied Roy Becker, member of the Board of Education, a writ of mandate to require the Los Angeles City Clerk to certify Becker to a four-year term in office.

Hix said the appeals court held that a complaint for declaratory relief instead of a writ of mandate should have been filed. City Attorney Ray Chesbro told the court his office is required only to issue election certificates which do not specify the length of term in office.

Becker claims a four-year term by virtue of election at the primaries. In a subsequent runoff, Mrs. Marie Adams was elected and received more votes than Becker had received. This condition led to a question over the city charter's provisions for the different length of terms.

### VETERANS' INFORMATION
