

PERMANENT OFFICERS OF TORRANCE U.S.O. NAMED AT BIG MEETING HERE

With a cross-section of the community represented and filling the City Council chamber, Torrance U.S.O. committee met Monday night and elected permanent officers, appointed committees and made plans for the grand opening of the U.S.O. club in the Woman's clubhouse on July 1.

C. Z. Ward, Torrance business manager who conceived and promoted the idea for a Torrance U.S.O., was elected permanent chairman of the U.S.O. committee.

Hillman Lee was elected permanent vice chairman. Mrs. George Morgan was named secretary, upon the request of Mrs. Edith Smith, who has been acting secretary-treasurer, and Mrs. M. J. Beale was named treasurer.

Chairman of the various committees are: Grover C. Whyte, public information; Mrs. W. I. Laughon, club management; Mrs. Floyd Miller, program management; Mrs. Charles Schlutz, entertainers; Mrs. R. E. Smith, hostesses; Councilman C. M. Gilbert, troops-in-transit; and Mrs. Elsie Smith, home town problems.

All these committees are in accordance with the U.S.O. manual and each of the chairmen is a member of the executive committee. Other committees may be named as they are needed.

The general committee decided to meet the third Monday of every other month.

The U.S.O. hours at the club were decided upon 4 to 11 p.m., with later hours on weekends. The question of costs for services at the club was discussed and Fire Chief J. E. McMaster said that the fire department is giving and will continue to give call service to soldiers at the department. They sleep on cots there. It was decided that this is a service which should be continued and costs will be taken to secure cots for the clubhouse for those not requiring such call service.

Signs will be posted throughout the city for the service men directing them to the club.

Plan Big Opening The whole committee is working on plans for the big opening of Torrance U.S.O. club on Friday, July 1.

Every organization and nearly all business houses were represented in the big meeting Monday night.

In explaining the purpose behind the U.S.O. club, Chairman Ward said: "The lack of entertainment and transportation facilities for the benefit of servicemen in this community and the growing army personnel in the vicinity is what inspired this movement.

"As you know, we had our meeting with Robert Burns, regional director of the U.S.O. A budget was set up and he approved the allocation of \$34,500 per month for a Torrance U.S.O. club. This amount should easily take care of the financial problem. Also, he felt they could transfer almost enough furniture here to furnish our club.

"We agreed to rent the Woman's Clubhouse building at 1422 Engracia ave. for the U.S.O. club. The city of Torrance has agreed to incur the expense of installing 12 U.S.O. directional signs throughout the city to guide the servicemen to the club. The basic problems have thus been taken care of.

Need Big Committee However, it now becomes necessary to form a large U.S.O. general committee made up of civic-minded people. From this general committee we will ask for volunteers to act on executive subcommittees and fill the various offices. These subcommittees will vary as to the number of people needed on them and also the personnel will probably rotate due to the changing conditions of the members' free time. Therefore, we need a large reserve complement.

"Further, because it is assumed that most everyone in the city of Torrance has taken part in donating various sums of money to the War Chest, through which we are financed, it is the desire of the U.S.O. that everyone interested in this

movement have a voice in the operation and management of the club. This is your club because of your generous contributions to the War Chest and we want you to feel that it is being managed in the most efficient manner.

"If you feel that you cannot spare time from your other duties to act on various subcommittees, we still want you to remain a member of the general committee."

Aeronautical Junior Chamber Is Planned

(Continued from Page 1-A)

"This big property now is county-owned and no better purpose could be made of it than to turn it over to the schools for educational purposes."

Oscar Willett of Palos Verdes, prominent in southwest highway development movement, is one of the principal backers of the plan and is instrumental in calling the Torrance meeting.

In sending out letters of invitation to the June 30 gathering, James Lynch, president of Torrance Chamber of Commerce, said:

"You are aware of the fact that our district direly feels the need for a junior college. The facilities heretofore made available in the Los Angeles school district are overlanded and inaccessible.

"For the past several years we have experienced an enormous influx of out-of-state families, in addition to the normal population increases. These, and other factors, have resulted in our having outgrown the facilities above mentioned.

"In order to determine the relief to be made available and to formulate a plan of action to solve this problem, an organization meeting will be held in the Council Chambers of the City Hall, Torrance, Calif., 8:00 p.m., Friday, June 30, 1944.

"In view of the fact that your community is vitally interested and concerned in this issue, your presence is respectfully urged, that we may benefit by your suggestions and valuable counsel. In the event you cannot possibly attend, it is requested that you either send a delegate authorized to act in your stead or submit your recommendations to us, for presentation to the organization at time of formation."

(Continued from Page 1-A)

4:00 o'clock at the Central Evangelical church, with Principal Perry and other faculty as well as community members present.

Extensive Preparation The graduation exercises will be one of the most elaborate ceremonies the school has ever sponsored. Decorations will be under the direction of Miss Ada Chase and the art classes, while the school orchestra will be conducted by instructor Louis Sauter. Programs and printing will be furnished by Charles Hamilton and the printing classes, and the P.T.A. will present flowers. Further musical effects will be offered by the Girls' Glee club under the direction of Miss Anna Mae Aiken.

Before the Alma Mater, the school anthem, is sung as a concluding number on the program by the class, Melvin Miller, class president, will make the class presentation. Jean Lancaster will make the presentation of the class gift to the school. The farewell gift will be a speaker's stand for the auditorium.

A solemn and religious regard to spiritual and eternal things is an indispensable element of all true greatness.—Daniel Webster.

The classes are open to minors who have finished the eighth grade and to any adult.

Most Children's Breakfasts are Inadequate

Torrance Elementary school children on an average do not have adequate breakfasts, a survey conducted by the schools shows.

B. J. Strand, principal, said that all children were asked what they ate for breakfast. He declared:

"Out of 882 children reporting, only 128 children had a complete, adequate breakfast. Of the 882 children 31 reported no breakfast and 285 children had only one item such as cereal or toast and a drink. It is significant to note that only 169 of the 882 pupils had both fruit and milk.

"On the subject of an adequate breakfast, Dr. C. Morley Sellery, chairman of the Los Angeles city and county food and nutrition committee, has the following advice to give: "A child should get one-third of his daily food requirements in each meal. For breakfast he should have fruit, whole grain cereal, egg or bacon, toast and milk or cocoa."

Cub Pack 240-C Entertained on Anniversary

Cub Pack 240-C, sponsored by the Walteria P.T.A., became one year old this June. Roy Palmer, Cubmaster, presented 12 Cubs with one-year service stars. From the original 12 Cubs the pack now has 32 members.

Two skits were given by the fathers, one showing the Cubs of today how the fathers of yesterday may have looked to the fathers of today, the fathers skit depicted what the fathers of today would expect to see if while walking through the woods they ran across a group of woodland fairies. The fairies caused a near riot for at the conclusion, after picking wild flowers, threw the flowers and kisses into the audience.

Then to complete the celebration some 75 Cubs and parents held a picnic last Sunday afternoon at Torrance Park. After lunch baseball and other games were played.

Cubmaster Roy Palmer and Assistant Cubmaster George P. Thatcher were presented with tiaraks by Cub Michael Connors and Cub Franklin Gipe, with cards expressing appreciation to their leaders. The tiaraks were made by the boys as part of their handicraft achievements.

Redondo High Summer School

The Redondo Union High school will conduct a six weeks summer session from June 19 to July 28. Pupils may enroll in two two-hour classes or one four-hour class and will receive a semester's credit in each subject.

According to W. E. Brown, director of the summer session, there is more advance interest in summer school than has been shown in recent years. A large enrollment is expected.

Frozen Foods For Baby Soon To be Marketed

Baby may soon enjoy his share of frozen delicacies along with the rest of the family. A preliminary report from the division of fruit products on the Berkeley campus of the University of California indicates that frozen vegetable and fruit purées are superior in color and flavor to canned ones and have better vitamin retention.

The research is being conducted by Dr. Leonora Hohl, associate in the division, who points out that frozen green vegetables have an attractive bright color and the frozen fruit purées retain the flavor of fresh fruit. The foods are similar in consistency to the canned products but they do not have to be cooked as much and less of vitamins C and B-1 are lost.

16 Walteria Students Get Certificates

Miss Mary Charlotte Waddell, principal of Fern Avenue and Walteria schools, awarded certificates to graduates of Walteria Elementary school on Wednesday at 1:15 p.m.

A program featured a play by the class based on their study of history and customs of Mexico.

The traditional party for the graduating class given by the P.T.A. will be held this afternoon in the auditorium, the graduates having as their guests the B6 grade pupils. Games will be played and refreshments will be served.

Those assisting with the party are Mrs. Don Rae, president of the P.T.A., Mrs. R. J. Deurloo, chairman, Mrs. Adel Burchfield and M. Bryan. The graduates, 16 in number, are: Jerry Adams, Raymond Acos-

Do you save everything - BUT MONEY?

Saving and conserving to eliminate every possible waste is a part of everyone's contribution to Victory. Every drop of waste fat should be salvaged; every scrap of paper is vital to the war effort. Of top importance too, is the saving of money, when we buy the necessities of life. And the best investment for such savings is in U. S. War Bonds. When you are buying food, Safeway's low prices permit you to make worthwhile savings, consistently. A comparison of prices will prove this.
