

PUSHOVER?

...don't tell that to Pvt. Jones!!

SPECIAL MESSAGE

from
TORRANCE MERCHANTS

We know the urge is to be generous to our loved ones at Christmas time . . . and buy for them gifts in keeping with the Yuletide spirit. This is as it should be . . . but PLEASE DO NOT cash any War Bonds you now have, in order to buy Christmas Gifts! Every bond you cash means that you are reducing the amount of money Uncle Sam has in his hands to win the war . . . it means delaying final victory another day! Don't sell War Bonds to buy gifts . . . rather buy War Bonds as gifts!

THE JOB IN THE PACIFIC IS STILL TERRIFIC!

THERE ARE STILL MILLIONS OF TOUGH, BRUTAL JAPS TO LICK. EVERY JAP WE KILL MAKES MY CHANCES OF GETTING HOME BETTER, AND IT COSTS PLENTY TO KILL A JAP

IF YOU think Japan is a pushover—you're fooling yourself, mister. Every American soldier, marine and sailor in the Pacific knows he has a tough fight on his hands. You can't tell *them* their war is almost over! Even as you read these words, American men are dying in the fight against Japan.

Look into your heart and ask yourself honestly: "Have I stopped fighting? Have I stopped buying War Bonds because I think the war is about over?" You're not a quitter; your answer is "No!"

The fight in the Pacific calls for a highly specialized type of equipment. B-29 bombers that cost \$600,000 in War Bonds; M-4 tanks with bulldozer blades that cost \$67,417; "alligators" that cost \$30,000; millions upon millions of gallons of gasoline. We need more and costlier equipment than any war has ever called for. And that's the big reason for the 6th War Loan Drive. Just as long as a single Japanese aims a gun at our men—we must continue to buy War Bonds.

Do your full share now!

Once again you are asked to *buy at least one extra \$100 War Bond*. Buy more if you possibly can. Not only is it for the final Victory—it's for your future. Sign up for extra War Bonds on the Payroll Plan. Welcome the Victory Volunteer when he or she calls at your home. Remember—the job in the Pacific is still terrific.

YOUR COUNTRY IS STILL AT WAR—ARE YOU?
