

### Torrance A. C. Loses Last Game of Season

Scoring late in the third and fourth quarters, Spike Jones' All-Stars Sunday defeated Torrance Athletic Club, 13-0, in the I. A. Municipal football league windup game at Daniels Field.

Benny Williams scored first, plunging over from the Torrance five after he tossed 16 yards to Right End Joe Yurosek, who ran an additional 20 yards to set up the play.

Yurosek scored in the fourth when his twin brother, Mike, caught a 20-yard pitch from Quarterback Earl Ferguson and picked up 34 yards before going down on the Torrance 19 when he became entangled with his own interference. Joe crashed over through center after two runs by Williams set the ball on the five-yard line. Mike Yurosek passed to Left End Gale Squires for the extra point.

Torrance's only scoring threat came in the fourth quarter, when Quarterback Marty Acosta intercepted a pass on the All-Stars' 22. A run by Jim Capelino advanced the ball to the 15, where Left End Gale Squires broke through to nail Acosta for a 15-yard loss.

### Hospital Cases

Admitted to Torrance Memorial hospital from this district during the past week were the following:

Harry Haslam, 24317 Oak st., Lomita.

Mrs. Violet King, 712-F Ampola ave.

Mrs. Gertrude King, 1535 W. 214th st.

Mrs. Emma McIntyre, Box 177, Torrance.

Harold Patrick, 1636 1/2 W. 216th st.

### \$744,000 Given To Charity In Five Racing Days

Jack F. Mackenzie, general manager of the Hollywood Turf Club, has announced that \$744,000 has been realized from the first five of the seven days allotted to war relief agencies and welfare organizations by the club from its current 34-day meeting.

With two more days still to be given for welfare benefit it is almost certain that the figure will soar above the \$1,000,000 mark. One reason the figure reaches this gratifying mark is that the turf club absorbs all overhead on these days.

Donations have not yet been finally accounted, however partial payments in the amount indicated above have been made to the War Chest, American Red Cross, American Legion, California Turf Foundation, California Breeders' Foundation and a group of war relief agencies and welfare organizations engaged in rehabilitation work for returning veterans. The latter organizations are mostly hospitals, and they will receive the net proceeds from one of the remaining two days to be given for war welfare. The other will benefit child welfare agencies and the National Foundation for Infantile Paralysis.

### 420,405 MILES

The Ninth Service Command hospital train unit in September made 113 trips and moved 1,581 soldier-patients a total of 420,405 miles. It was announced at headquarters, Fort Douglas, Utah.

### PAPER SALVAGED

During September 2,140,140 pounds of scrap paper were collected at Ninth Service Command Army posts, camps and stations for salvage.

### Torrance Junior Class Gridders Defeat Seniors

**By BILL TOLSON**

Torrance high school junior class varsity players defeated the senior class varsity squad in a football game on Thursday, Nov. 30, at Torrance field, the annual tussle ending 12 to 7 in favor of the junior class players.

If this defeat and the Marine League championship won by the "B" team of Torrance means anything, Torrance should have a good grid eleven for next season.

Both teams were short of men in the Thursday play, each having only eight players.

The juniors kicked off to the seniors, and Gerald Jackson returned the kick. After two plays the seniors passed and it was intercepted by Gene Holloman. The juniors moved the ball deep into the senior territory, where they lost the ball on downs. At this point the seniors took over, and after a small gain and a long loss were forced to kick. Soon after, the first quarter ended with no score.

Early in the second quarter, after a series of gains, the juniors were again in position to score, and this time made it good. The ball, for touchdown, was carried over by Gordon Smith. The extra point was tried by Robert Warning, but was blocked. So the score remained six to nothing in juniors' favor.

Robert Warning kicked off for the juniors and the kick was again run back by Gerald Jackson. Not so many plays later, and with the seniors still in possession of the ball, the half ended with the score six to nothing.

When play was resumed, Rodney Clark kicked off for the seniors. The kick was run back by Gordon Smith. After some uneventful plays, an interception and a punt, a pass was thrown to Bill Johnson for the juniors' second touchdown. At this point the conversion was attempted by Warning, and it was no good. So the score was then 12 to 0, juniors' favor.

Warning kicked off again for the juniors, and again it was a run-back by Jackson. After the ball had changed hands many times, Sam Intermill passed to Marvin Kont for the seniors' lone score. Intermill drop-kicked the extra point, making it 12 to 7.

The seniors kicked off, and it was run back by Gordon Smith, and not much later the game ended with the score 12 to 7 in favor of the juniors.

Class spirit ran high as the bleachers followed the teams with many yells and songs and much excitement.

Juniors	Pos.	Seniors
R. Warning	E.	M. Kent
D. Martin	E.	B. Collins
J. Standifer	G.	B. Smith
F. Dominguez	G.	B. Shaner
B. Rogers	C.	R. Clarke
G. Smith	F.	G. Jackson
G. Holloman	H.	S. Intermill
G. Goddard	Q.	E. Robst

### Eastside Beer Team to Meet Shell Nine

Sunday, Dec. 10, Shell Chemical brings the very strong Eastside Beer team to the City Park in Torrance to fill the bye spot in the Southern League schedule. Eastside has some of the winter league's best professional ball players on the coast. Their pitching spot will be filled by Bob White formerly of Joe DiMaggio's all-star Santa Ana Air Base team. This will be the best competition Shell Chem has had this year. If sufficient support is shown, these strong teams will continue to be brought to Torrance.

Last Sunday the rubber men defeated the Douglas Bombers, 4 to 3, in a very close game. Coming from behind, the Shell Chem boys scored two runs in the sixth inning and one in the eighth inning to put the game on ice. Paul Smith pitched for Shell and issued no walks but whiffed eight men to hold the Bombers to six hits.

**IDEAS SAVE \$78,844**  
Adoption of 113 work simplification proposals, submitted by military and civilian personnel, collectively saved 13 Ninth Service Command installations \$78,844 and 62,331 man-hours in September.

**UNDERGROUND SUPPLIED**  
The European underground is being supplied thousands of tons of weapons and ammunition, the Ninth Service Command Ordnance officer learned today from a War Department report.

### San Pedro Sends THS Basketball Team to Defeat

**By BUD SMITH**

Friday, Dec. 1, a hard fighting Tartar basketball squad lost to a powerful San Pedro team, 31-18.

Although the Torrance team played a good game, the Bucs took an early lead and held it throughout the game, with an added scoring spurt in the last quarter.

The Pedro star, Alan Sawyer, attained all-Marine honors last year, scored 11 points, to be high point man for the day. Bill Stanley of Torrance, and Firkmeyer, Pedro guard, each scored 5 points for second place scoring honors.

The Tartar squad, although they lost their first two games, will be hard to stop about mid-season.

**Starting Lineup**

Stanley (5)	RF	Gabard (4)
Moon (2)	LF	Benedict (10)
Dodos (4)	C	Sawyer (11)
Crawford	RG	Kirkme'r (5)
Dietlin (2)	LG	Bakulich (4)

Scoring Subs—Torrance: Teske 2; Long, 2; Pegors, 4. Pedro—Erickson, 3; Finn, 3; Derrick, 1; Bentvoza, 2.

### Torrance Girls Go to Narbonne For League Meet

**By EUNICE ABRAMSON**

Friday, Dec. 8, four members of the Girls' League Council will attend a meeting of Girls' League representatives from all the schools of the Marine League. Those going from Torrance High will be Bernice Cline, president of Girls' League; Elsa Stanley, first vice president; Shirley Severin, reporter, and Eunice Abramson. The meeting will be at Narbonne high school and will begin with a discussion at about 11 o'clock and will be followed by a luncheon. The whole meeting will last until three o'clock.

**Paper Drive**  
At last Torrance High is sponsoring a paper drive! If you have any old papers in your basement that you have been trying to get rid of, hold on to them for another month and then give them to the high school students who will be around asking for them. The drive will start on Jan. 4, right after the Christmas holidays, but the finishing date has not been determined as yet.

More detailed information will be available at a later date.

**STIFF TRAINING**  
Ordnance troops training at Aberdeen Proving Ground, Maryland, jump off a 100-foot diving tower with full pack and rifle, and alternately swim and float ashore, the Ninth Service Command Ordnance officer, Fort Douglas, Utah, announced today.

### Torrance B Team Is Defeated by Fast Opponent

The Torrance class B basketball squad was defeated by the overwhelming score of 58-16 by a potent San Pedro B team.

The Buc Babes started off fast with large first period score, and a half lead of 38-10, with Hagstead, their center leading them with 19 digits. Greg Martinez and Bojorguez were not far behind with 12 and 10 points respectively. High point man for the Tarbabes were Joe Furgnie, 7 points and Jackson 4 points.

Although the Torrance B basketball record isn't too impressive, they still have possibilities of ranking pretty well in the league, having already defeated Gardena in a practice fray.

**Lineup**

Northway (1)	RF	Marti's (12)
Ban	LF	Bojorg'z (10)
Furgnie (7)	C	Halstead (10)
Jakub'ski (2)	RG	Sand'm (2)
Jackson (4)	LG	Jurin (5)

Scoring Subs—Torrance: Reese, 2; San Pedro: Pruitt, 2; Bohlch, 6; Cleveland, 2.

### Revise Rules on Use of Schools

The Los Angeles Board of Education hereafter will require that all schools in the system, including those in the harbor district, be available for use of only those organizations which open meetings with the Pledge of Allegiance and salute to the flag and tacked onto the resolution a further proviso that a statement must be read explaining sponsorship of such meetings.

J. Paul Elliott, board member which was unanimously adopted. It specifies that a statement must be read setting forth the name of the sponsor, the political affiliation and general program, state that the board is not sponsoring the meeting and that issuance of a permit is not to be construed as board approval of what is to be said or done.

Said Elliott: "Many citizens feel that the board assumes a certain responsibility if it allows communistic or other groups which they do not like to use school property for meetings." He pointed out that the powers of the board to grant or deny use of school premises are

limited by the education code as enacted by the State Legislature and construed by the courts. Under this law the board is required to make school premises available for public meetings except where there is evidence that the applicant group advocates overthrow of the government by force or violence or other unlawful means. The board can also deny a permit for use of a schoolhouse meeting if admission fees are charged or contributions solicited.

### 50 PER CENT ATHLETIC

Upon entering the Army approximately 50 per cent of the men profess having never engaged in organized sports, an athletic and recreation branch survey on file today at Ninth Service Command headquarters, Fort Douglas, Utah, disclosed.

### Children Need Dental Care, Says L.A.C.H.D.

Pearl Harbor day babies as well as the 60,000 other children born in the county during the first war year should be having dental supervision now, according to Dr. Hazel Merrick, head of the Los Angeles county health department dental hygiene division, in discussing the department's educational program for the coming year.

In the dental hygiene clinics of the county children are first introduced to dental care before they are three years old and return for check-up and necessary work every four months until they are 14. In this way small defects are detected and corrected as well as preventable measures taken to insure against cavities forming.

Examination of the first 700,000 men when selective service was first instituted showed that 8.8 per cent of the selectees did not meet the Army peace time standards of 12 teeth per man. Supervising the dental growth of children will obviate this condition in later years, dentists claim.

Dr. Merrick is helping to organize the all-day program of the Los Angeles County Dental Association which meets Thursday (Dec. 7), and which is featuring dentistry for children.
