"As the Universe, including Man, Evolved by Atomic Forces." This question will be the subject of the Sunday Lesson-Sermon in all branches of The Mother Church, the First Church of Christ, Scientist, in Boston. The Golden Text is from John: "In the beginning was the Word, and the Word was with God, and the Word was God... All things were made by him; and without him was not any thing that was made."  
Luke's Gospel relates that "a certain centurion's servant, who was dear unto him, was sick, and ready to die. And when he heard of Jesus, sent unto him the elders of the city, beseeching him that he would come and heal his servant." On Jesus heared the house, the centurion sent friends and said, "Lord, trouble not thyself; for I do not worthy that thou shouldst enter under my roof. But say in word, and my servant shall be healed... When Jesus heard these things, he marvelled at him... and said, I have not found so great faith, no, not in Israel. And they that were sent, returning to the house, found the servant whole that he had been sick."  
"Faith and Health with Key to the Scriptures" Mary Baker Eddy writes: "Jesus illustrated the divine Principle and the power of immortal Mind by healing sickness and sin and destroying the foundations of death."

**Music Students At Musicale-Tea For P.T.A. Group**

At the recent "musicale-tea" held at the Dana Junior high school, the necessary funds were raised for the scholarship award to be presented to students so that they may continue their studies for one year free. This fund was raised by the three harbor district councils, Lomita-San Pedro, Gateway and Gardena-Wilmington, and will be put with the Tenth district fund.  
A guest at the tea was Mrs. Lloyd Bass, music organization chairman for the Tenth district, who announced that Tenth district anticipated supplying at least 18 students with scholarships and has set the grade restriction at seven to 12 for instrumentalists and ten to 12 for vocalists. Auditions will take place at the Sentous Center, 1200 Pico blvd. Jan. 8, vocal; Jan. 9, violin; Jan. 10, piano; Jan. 11, orchestral instruments. To qualify, students must be recommended by their school principals or musical instructor and only classic selections will be acceptable.  
The schools participating in the program were: Banning high, represented by Pamela Bleick, violinist; Regina Picozo, pianist; Tommy Cosgrove, clarinetist. Seventh St. school, Syble Jean Keith, pianist; Roberta Sproule, flutist. Gulf Ave. school, Mae Smith, pianist, and Darlene Parrott, bell player, in duet.

**Bible One of Seven Wonders, Says Minister**

"The Bible rightfully deserves a place as one of the seven wonders of the ancient, the medieval and the modern worlds," according to the statement of Rev. H. Wesley Roloff in his sermon Sunday at the Central Evangelical Community church, Torrance. Speaking on the subject, "Seven Wonders of the Bible," the local pastor said that the value of the Bible in society and life could not be computed in any monetary way. Rare manuscripts of the Bible are valued at more than one-half a million dollars. The Bible story has inspired the greatest in art and literature. Raphael's original of the Madonna and Child is valued at more than \$5,000,000. All of this and much more is contained within the pages of your Bible and mine. It is man's "choicest treasure," the pastor said.

In enumerating seven outstanding wonders of the Bible the pastor explained that it was difficult to choose between the many wonders found within its pages. He first asserted that the Bible is "man's oldest and yet his newest book, more contemporary and up-to-date than tomorrow's newspaper. Though much of it is more than 3,500 years old, it is still as vital for us today as when it was first spoken." Other wonders of the Bible mentioned were: The Bible's unique authorship, its work of both God and man; its universal appeal, to all ages, classes and races; its prophetic truthfulness; its supreme revelations, of sin and Jesus Christ as the all-sufficient cure; its power to transform human life

**Christmas Gift Plan Continued At St. Andrew's**

Each year at Christmas time, the children of St. Andrew's church school bring suitable presents for distribution to the less fortunate children whose Christmas may not be as plentiful as their own; and this year, the Rev. Paul Moore Wheeler, rector, has announced, the children will go to the Navy Family Chapel Sunday school of Long Beach, where children of ordinary navy seamen attend.  
The children will take their presents to St. Andrew's church school next Sunday.

The monthly prayer service of intercession for the members of the armed forces from families of St. Andrew's church will be held at 7:30 p. m.  
The Junior church choir will provide special music for the service. It will be under the direction of Mrs. Carl Lane.

and regenerate human society; and finally, its absolute triumph and complete victory over all its enemies. Though men have sought to destroy it, the Bible is written today in more than 1,000 tongues and dialects. More than 25,000,000 copies are being printed every year. It outsells all the best sellers combined and continues to do so year after year. Concerning this great book the pastor said: "This book will keep you from sin, or sin will keep you from this book."
