TOWNSEND CLUB
By **LOTTIE WADE**

Torrance Townsend Club No. 1 will hold a short business session on next Friday evening, April 13. Reports of the secretary and treasurer will be read and other matters discussed of interest to all Townsend Club members, after which the usual games will be played, prizes awarded and refreshments of the best things obtainable in quantities will be served. Because of war time shortages and restrictions we are not able to procure such things as we formerly served. A sincere vote of thanks from all should go to Mrs. Newell for her untiring efforts of buying and serving; also to Mrs. Fox and others for their assistance at the Friday night gatherings.

Do this essential wartime service in just two hours per week!

Right now, in your community, enrollment applications are being accepted in the California State Guard. This newly re-organized State force, acting in the place of the National Guard (now overseas) is set up as an organized military reserve... trained and ready to protect life and property in your community in time of emergency. No State Guard unit can be called to serve outside its own county—your unit is for your community.

We think you'll enjoy serving in the State Guard. Besides knowing that you're doing an important wartime job, you'll enjoy this training—it's exciting and good for your personal development. Then too, while you're not actually in the Army, and cannot be called as a force into Federal service, you are performing a vital military function on the homefront.

Important to you is the fact that service in the Guard takes only two hours, one night a week. In these two hours—through army-trained instructors and army-produced sound films—you learn military tactics, Judo, scouting, how to handle and fire Thompson submachine guns, machine guns and army rifles. All uniforms and equipment are G.I. and are furnished free.

All in all, it's a good deal. Why not get all the facts and details right now? Call in person or send for the new, illustrated booklet giving all details about the California State Guard.
