Girls' Day Is Enjoyed at Torrance High

By Robert Maxfield

The girls of Torrance High school enjoyed a day of good fun when they celebrated Girl's Day, May 16. The festivities started at 9:45 when all girls were dismissed from their classes to report to the girl's gym, where they were assigned to their various courts. The morning's program featured basketball, volleyball, ping-pong, and bowling. The girls were divided into four teams, each designated by a color—red, blue, green and gold. The winner of the day was the green team, captained by Elsa Stanley, closely followed by the red team, who took second place.

All the outstanding girls of Torrance High were honored at a banquet given by the girl's league, and Girl's Athletic Association. Representatives from these organizations as well as sponsors from San Pedro, Banning, Gardena, and Narbonne High schools were present. Following the banquet the girls went to the auditorium where they had a special Girl's Day program. This program featured the crowning of Jane Ritchie, queen of Girl's Day, and installation of new Girl's league officers. Honored guests were also introduced.

The highlight of the afternoon was a short talk, "Poise and Personality," given by Miss Dorothy Preble, owner of a modeling agency. The cup to the winning team was presented by Miss Jane Fohl, girl's physical education instructor.

Evangelical Church Host to Youth Saturday

Under the direction of a new committee of youth, representing various of the Torrance churches, the Saturday night jubilee challenging "Youth for Christ" will be conducted in the Central Evangelical Community Church at 8 o'clock p.m. May 26.

A lively "Slingspiration" will open the meeting. Youth testimonies will be given and a happy time of informal Christian fellowship will characterize the entire meeting.

The Torrance rally is one of more than 300 such gatherings held on Saturday nights throughout the country by evangelists of all denominations. Some of these rallies number their attendance in terms of thousands.

A cordial invitation is extended to every young person, boy or girl, in Torrance to attend. Central Church is at the corner of Marcelina and Arlington.

Jap Gets Knock-Out Blow P.D.Q.

We feel so sorry for the Jap, 'cause we know what is coming to his sacred homeland. The white horse of the Emperor is going to be black—Tokyo is going to look worse than Berlin. The Jap soldier isn't going to have a face to save—the honorable Jap Navy is going to go full steam ahead in a vertical position. And a lot of this work is going to be accomplished by the planes that Doak is working on.
